## Immisch's Clinical Avitreous Thermometer

IN SILVER OR GOLD

WITH REGISTERING ATTACHMENT

Kew Certificates 50 Cents

AWARDED THREE SILVER MEDALS, 1885. HIGHEST AWARD, LIVERPOOL, 1886

ALFRED L. LOOMIS, M.D., LL.D., Professor of Pathology and Practice of Medicine, Medical Department University of the New York, Physician to Bellevue Hospital, has been using an Immisch Thermometer for some time, and authorizes us to state that he regards it as most reliable for testing surface temperatures, and most convenient for clinical use.
