

CHEAP FARMS

NEAR MARKETS.

The State of Michigan has more than 4,000 miles of railroad, and 1,000 miles of lake transportation, schools and churches in every county, public buildings all paid for, and no debt. Its soil and climate combine to produce large crops, and it is the best fruit state in the northwest. Several millions of acres of unoccupied and fertile lands are yet in the market at low prices. The State has issued a PAMPHLET containing a map and descriptions of its soil, crops and general resources, which may be had free of charge by writing to the COMMISSIONER OF IMMIGRATION, Detroit, Mich.

For Sale: Jersey Bull Calves.

With a view of encouraging the introduction of pure Jersey blood among the native cattle of such farmers as wish to increase their butter production at a decreased cost, I am prepared to sell a few young Bull Calves at \$100 each, boxed and delivered at Waterdown Station, G. W. R. These Calves are of PURE BLOOD, are registered, or will be registered in the American Jersey Cattle Club Herd Register, free of all expense; are of great individual merit and are from cows selected by me out of the very best herds on this continent, cows which cost me many hundreds of dollars each. The dam of one made 12 lbs. 13 oz. of butter in 7 days, at a 2 year old. The dam of another gave me 22 quarts of milk in one day, from which 51 quarts of cream were produced.

The Jerseys are kept on less food than an ordinary cow; are very gentle, do not rove; milk longer than any other class of cows, and produce more cream with their milk. A great demand is springing up in all the cities and principal towns for grade Jerseys. They are quite hardy.

Farmers purchasing these Bull Calves can through their use and from the increase in butter production of their offsprings make the price of the Bull Calf over and over again. Females of such a Bull can readily be sold at \$75 to \$125 when coming into milk at 2 years' old if from good cows.

Terms of payment will be made satisfactory to purchasers.

Inspection of stock invited. Pamphlets with reference to Jerseys furnished free. Prizes won by this herd in 1892: Dominion Gold Herd Medal (Kingston), Silver Herd Medal (Toronto), First Herd Prize Grand Central Fair (Hamilton), 16 Firsts, 3 Seconds, and 1 Third; 3 Sweepstake Medals.

THE GREAT CURE FOR RHEUMATISM

And all complaints of a Rheumatic nature, RHEUMATISM is not a sovereign remedy for "all the ills that flesh is heir to," but for NEURALGIA, SCIATICA, RHEUMATISM, and complaints of a Rheumatic nature.

IT IS A SURE CURE.

From Mr. Percy Perdon, the oldest Mail Clerk now running on the Great Western Railway between Suspension Bridge and Detroit.

About 18 months ago in conversation with you I mentioned that my son Arthur was a great sufferer from rheumatism, being so bad that for months he had not been able to put on his boots or walk. At your suggestion I purchased from you four bottles of your Rheumatine. Three bottles however, I am happy to say, effected a permanent cure, as my son has never suffered from rheumatism since, although the past winter has been a most trying one. I may add that the medicine had the effect of improving his health in every way.

Make what use you like of this testimonial. I can thoroughly recommend your Rheumatine to all suffering from rheumatic complaints.

I am, your's truly
PERCY PERDON.

My *Ilceae* are the Cheapest and Best in use.
My New and Latest Improved Hives will soon be ready for the market. It contains the usual size and number of Jones frames. I now manufacture ten different kinds and sizes of Smokers, and they are the most handsome, cheapest and best in use.

My New Honey Knife puts all others to shame, and is the finest and best that is in use.
My Latest Improved Honey Extractor has valuable improvements that no others have. It is the cheapest, strongest, lightest running, and best and most durable in America.

My Comb Foundation is made on an improved Dunham machine and from clarified wax, and is better manufactured than any other. I will make up wax into comb foundation cheaper and better than others.

My New Silk Bee Yells are made larger than any previous ones, the material having been ordered direct from the manufacturer, specially designed for bee yells. They have no equal.

I am the only one in America who manufactures Perfumed Honey for raising comb honey, preventing swarming, controlling fertilization, etc.

My Latest Improved Wax Extractor shuts all others out. I challenge any others in America.
Honey Tins and Pails.
My honey cans are cheaper and superior to any others in the Dominion, as I am the only one who has machinery and dies to manufacture these new and improved self-sealing cans and pails. They can also be used as milk tins.

In a short time my new Honey Labels will be ready. They will be lithographed on nice different stones, blending all the colors, making a handsome varnished chrome label, finer than anything yet made so that each person can have his own name on them. The price will be wonderfully low.

Those having wax for sale, please drop me a card. I can pay you a high price. Wax taken in exchange for goods.
