PROSPECTUS OF "THE LIBERAL." TORONTO.

M ESCREJOHM CAMERIOUS & CO TORLIBATES M OF THE "LONDON ADVERTIBER, maving determined to extend their publications to Toronto, the ouplets and centre of the Province strange ments are now mearly completed for the carrying out of the project. It was at first their intention to carry the mame which had served them so well in London to Torotto, tasking a Daily under the mose of the "Moneros daylististis," and a pre-liminary prospectus was tesued to that effect. leg i disliculties, however, having been thrown in the way of their using the mane, thy the publisher of a learning test in this city, tearning some what similar title). Measure Join Carrinon & Co, have det died rather than enter into litigation over a disputed point of law, to adopt the name of

THE LIBERAL, TORONTO.

Thoir publications will then consist of the following Journals:

"HIE LIBERAL, published daily at Toronto,
THE DAILY ADVERTISER, published at
London;
THE VEEKLY LIBERAL and WESTERN AD
VERTISHR, issued at foronto and London.
THE LIBERAL will commence its career as a 32column journal, well printed on good paper, and
will be enlarged as rapidly as advertising patronago makes additional demands on our space. The
Pa limentary koports will be well condensed and
tholoughly imparital. To that ond the services of
able an 'p perienced stonographers have been secered. The publishers believe the public will approclate a journal edited in a pithy and roadable
siyle, and which will alm at quality archer than
quantity. The editorial corps includes several of
the ablest journalists in Canada. and the public
may expect The Luberal to take an immediate
position in the front rank of Canadian journals.

The first issue of Thi Luberal will make its apperages about the 90th of Janua 'y.

It is the expectation of the publishers of the
"London Dally Advertisers," with the additional
news facilities which wil be at their disposal, to
make that paper one of the best i formed journals
is the Province, outside of Toronto.

The circulation of our eight-page weekly, now
over 1400 copies, will present to the business men
of Toronto, London and Ontaria generally, the
most widely-spread medium of communicationwith one exception—in the Frovince, and it is believed that within a limited period from this date
the circulation of the paper will be at least 20,000
opties. It will be the aim of the publishers to
make it the best weekly in Canada. They have
pleasure in amountening, as one of its foatures for
Biff, a first-class Agricultural and Horticultural
Dopartment, specially edited for The Weekly
Igneral and Western advertisen, by Mr. W. F.
Gealer, for some years culter of the Canada
Paramer.

Pointeelly the publishers have no now departure
to announce. While maintaining their attitude as

Parmer.

Politically the publishers have no new departure to announce. While maintaining their attitude as outspoken and independent journalists, they will, in the inture as in the past, be staunchly and processively Liberal in their views and atterances, and continue to extende cordial support to the Administrations respectively of Mr. Mackenzie and Mr. Mowat.

Administrations respectively of all anescenses and Mr. Mowat.

The Liberal, will be issued daily from the office, of Youge street, east side, second door south of Elne street. Subscription price 10 cents per week, or \$500 per year propaid. Single copies 2 cents. The subscription price of The Weeker Liberal and Westein Adventises is \$150 per annum. Payable strictly in advance.

An Interesting Question to not a Few.

It is now an ACKNOWLEDGED FACT-acknowledged by professionals and amateurs, by compotitors in trade, as well as pations, that the

HEINTZMAN PIANOS,

Canada manufacture, are equal in quality to the bost imported ones from the United States. It is, therefore, AN INTERESTING QUESTION for intending purchasers, how
