MUSKOKA NAVIGATION CO.  
TORONTO OR MUSKOKA WHARF

The opening up of the "Highlands of Ontario" and the beautiful Muskoka Lake region, has been a veritable labour of love, and the coming summer promises such an influx of tourists as will amply justify the outlay in hotel accommodation which has been recently made. The new hotel, "Royal Muskoka," promises to become to Canada, in summer, what the "Royal Ponciana" is to Florida, in the winter months, the fashionable resort of the continent, where the romantic and the beautiful can be enjoyed with all the luxury and comfort of the most modern hotel life, and at reasonable prices. The "Royal Muskoka" has accommodation for 500 guests, and is the finest summer hotel in Canada. It will be opened on June 14th. Information as to rates, and illustrated literature, apply to
