THOSE contemplating a summer holiday, involving the maximum of pleasure with the minimum of cost, cannot do better than take a glance through the elegantly illustrated little volume just issued by Mr. Edgar, head of the G.T.R. Passenger Department. In this brochure the trips outlined are truly an embarrassment of riches. Amongst the famous resorts described are Niagara Falls, Parry Sound, Georgian Bay, Muskoka Lakes, Mackinac Island, Midland District Lakes, Thousand Islands, St. Lawrence Rapids, White Mountains, Sauganey River, Rangetley Lakes and the Sea Shore. Out of such a list paterfamilias ought to be able, whatever the condition of his purse, to make a satisfactory choice. The book (which is really a work of art) contains full particulars as to steamboat connection, rates of fare, etc. Copies may be obtained from Grand Trunk agencies, or by addressing Mr. Wm. Edgar, at the head office, Montreal.

## According to the ACTUARIES' REPORT:

The death claims in the General Section of the United Kingdom Temperance and General Provident Institution in 1889 were \$350,250 against \$447,240 the table expectation, or 78 per cent. of actual to expected claims. In the Temperance Section the actual death claims were \$219,370, against \$379,580 expected, or 57 per cent.—*Insurance and Finance Chronicle*, July 1st, '90.

That is, mortality in the Temperance Section was .37 per cent. more favorable than in the General Section, although comparatively small in that section.

Temperance men should insure in the Temperance and General Life Assurance Company, and get the full benefit of the much lower mortality that always and everywhere occurs amongst total abstainers.
