THE ONLY ONE—

There is one, and only one publication devoted to Credit Men and their peculiar interests. It was launched in 1892 and has never varied its original purpose—that of serving the credit men of the country. It is not a publication of diversified and scattered interests with a "Credit Man's Department," it is **THE CREDIT MAN'S MAGAZINE** first, last and all the time. If you are a credit man it's likely you are already a subscriber (most of the credit men are). If, however, you are not on the list, send for "re-sample copies" and terms. *Mention Monetary Times.*

BAND AND CIRCULAR RE-SAWS

are a necessity in a saw mill. They increase the capacity of a mill one-third when logs are small, by slabbing heavy and re-cutting all slabs on re-saw, using a 18-gauge blade.

They make two plump boards out of
a bad face deal.

Transfers supply them and not over four extra men required to run one.

If some large mills can use three and four, you can surely find one profitable. Will be pleased to send you particulars and prices.
