## Visitors to Toronto Fair

We invite you to put us on the list for a special visit. We sell everything for the home, and we know that **York County Loan** folks will be interested in anything that suggests home. We invite you to see. We don't ask you to buy. We'll be pleased to show you through the house with its six floors and 75,000 square feet of selling space, and turn ourselves into a veritable "Question Box" in giving you information on the cost of furnishing up on our plan.
