Sir Sandford Fleming, C.M.G.,

Ottawa,

Sir,

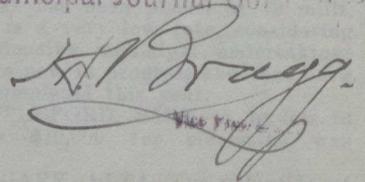

You may be interested in a special article
 which was written for the Journal, and which appeared
 in our issue of December, 1909, and which I find that
 I did not mention, or send to you previously.

You will, of course, have noticed that the
 Winnipeg Board of Trade is asking the Government to
 make an investigation.

I am, Sir,

Yours very truly,
