

### **United Nations Resolutions**

Canada opposes all attempts to prejudge the outcome of negotiations by one-sided resolutions in international fora. Successive Canadian governments have been concerned that the polemical nature of many resolutions diverts UN agencies from pursuing their mandates. Canada has strongly opposed any move to suspend or expel Israel from the United Nations or its Specialized Agencies. However when UN resolutions, such as the applicability of the Fourth Geneva Convention to the Occupied Territories, have identified Israeli actions as unjust, Canada has supported them along with virtually all of its Western allies.
