

3. When in the EEZ of the other Party, each vessel shall have its name and radio call sign or Vessel Identification Marking prominently displayed where they will be clearly visible both from the air and from a surface vessel.
4. Vessels of both Parties shall maintain accurate and complete records of catch, effort and other data on report forms provided by their respective governments while fishing pursuant to this Treaty. The Parties shall develop a real-time data reporting protocol to address the objective of achieving reporting of catches by the vessels of one Party fishing in the EEZ of the other Party. Any logbooks and related databases maintained by either Party shall be made available to the other Party regularly for verification purposes, subject to the Parties' respective rules on data confidentiality.
5. In order that better information may be obtained concerning the stocks of albacore tuna which migrate off the west coasts of the United States and Canada, each vessel engaged in fishing pursuant to this Treaty shall be required to provide to its government statistics and other scientific information on its operations in the EEZ of the other Party. Each Party shall provide to the other Party such information and in particular the amount (weight) and a sampling of biological data of albacore tuna caught by its vessels in the EEZ of the other Party. Such information shall be provided on an annual basis and at least 30 days prior to the annual consultations referred to in paragraph 6 of this Annex. Other specific information to be provided, as well as the forms and procedures for providing such information, shall be agreed upon by the Parties.
6. The Parties shall consult annually, *inter alia*, to:
  - (a) discuss data and information on albacore tuna fisheries exchanged under paragraph 5 of this Annex; and
  - (b) exchange information on their respective conservation and management measures for albacore tuna and on implementation of internationally agreed conservation and management measures applicable to the Parties related to fisheries covered under this Treaty.

The Parties shall also notify one another of the conservation and management laws and regulations applicable to vessels fishing in each other's EEZ pursuant to Article 1(b) of this Treaty."
