

April 24th, 1926.

Lieut.-Colonel Hon. W. H. Price,  
Provincial Treasurer,  
Parliament Buildings,  
Toronto, Ont.

My dear Colonel:-

On Wednesday evening last we held the Annual General Meeting of Last Post Fund. Dr. Abbott, one of our Vice-Presidents, representing Last Post Fund in Ontario, gave us the splendid news that the Provincial Government of my old Province has recognized in a tangible way the good work which Last Post Fund is doing. He told us of the inclusion in the estimates of a grant and also of your action with reference to making it an obligation on the part of municipalities to reimburse Last Post Fund in a certain amount for the burial of indigent persons.

I want to tell you that we all very much appreciate the action of the Government of Ontario and the example it has set to other provincial legislative bodies. I feel that Last Post Fund owes this action in great measure to yourself, personally, and will you please accept the thanks of our Association and my personal gratitude.

Yours faithfully,

PRESIDENT, LAST POST FUND.
