

The material to be submitted by any candidate is as follows :—

- (a) A certificate of age.
- (b) A written statement from the President or Acting President of his College or University to the effect that his application as a suitable candidate is approved.
- (c) Certified evidence as to the courses of study pursued by the Scholar at his University, and as to his gradings in those courses. This evidence should be signed by the Registrar, or other responsible official, of his University.
- (d) A brief statement by himself of his athletic and general activities and interests at College, and of his proposed line of study at Oxford.
- (e) Not more than four testimonials from persons well acquainted with him.
- (f) References to four other responsible persons, whose addresses must be given in full, and of whom two at least must be professors under whom he has studied.

The election once completed, the successful candidate's dossier must be forwarded forthwith, entire, by the Secretary of the Selection Committee, to the Oxford Secretary to the Rhodes Trustees, 9, South Parks Road, Oxford.

Immediately after receiving notice of his appointment, the Scholar-elect should write to F. J. Wylie, Esq., Oxford Secretary to the Rhodes Trustees, 9, South Parks Road, Oxford, indicating, in the order of his preference, the Colleges to which he would most wish to obtain admission. This list should contain eight names.

The Scholar-elect will come into residence in October of the year for which he is elected.

Students who have obtained an "approved degree" at an "approved University," provided that they have resided three years at the University in question, may apply for "Senior Standing" at Oxford, exempting them from all preliminary and intermediate examinations, and making it possible for them to take their Final Honour Schools, and B.A. degree, in two years.

Students who have resided two years at a Canadian University, and passed the examinations incident to a two years' course, may apply for Junior Standing at Oxford, which carries with it exemption from Responsions, but not from the intermediate examination. They can proceed to their B.A. degree in two years, provided that they obtain Honours either in Moderations or in the Final Honour Schools.

Greek is no longer an obligatory subject at Oxford.

Should a Scholarship be vacated, owing to marriage, resignation, or any other cause, it will not be filled up until the year in which it would naturally expire.

It must be realized that £350, the value of Scholarship plus bonus, will barely meet the expenses of a full year, including vacations. Scholars will probably find it necessary to supplement their Scholarships slightly.

Information as to Oxford Colleges and Courses will be found in the Oxford University Handbook,* which can be obtained of the Oxford University Press, 25/27, Richmond Street West, Toronto.

Copies of this Memorandum can be obtained from the Secretaries of Selection Committees in Canada, or from the offices of the Trust.
