GREAT GALAXY OF MOTORCYCLE STARS.

Never before has there been gathered together such a galaxy of motorcycle stars as will clash at the Toronto motorcycle race meet at Exhibition track on the holiday. With Gardiner, the half-mile world's record holder over a dirt track, Harold Cole, Baribeau, Smith, McIndosh and the French phenom Martineau riding in the various events, Torontonians are going to be treated to the most sensational riding ever witnessed in this city. Everybody knows how Cole and Baribeau burn up the track, and with Gardiner in the fray the two Canuck flyers will be after the Yankees scalp. Dirt track riding has a more sensational heart-palpitating tinge to it than the board tracks stuff. Flat-track racing carries that element of danger that the public seem to hunger for.

Swansea F.C. would like to arrange match with a good senior team for the afternoon of May 25. Send replies to J Magechan, Humber Bay P.O. CUSTOM CUT HOLIDAY SUITS.
