PLEASED AT PROMISES TO DROP SUBMARINES

Pope Benedict Willing to Support
Neutral Prepared to End
War.

ROME, Sept. 3, 4.40 p.m., via Paris, 9.40

p.m.—Pope Benedict today expressed

pleasure over the fact that the diplo-

matic negotiations between the United

States and Germany had resulted in a

promise from Germany to modify her

submarine warfare.

The pontiff was gratified to learn of

the cordiality that marked the conver-

sation between President Wilson and

Cardinal Gibbons on Thursday, when the

cardinal delivered to the president a

message from Benedict XV dealing with

peace.

The pontiff said today he hoped every-

body, both in Europe and the U. S.,

would be convinced that his constant

prayer is for the ending of the war, and

that his work in this direction is entirely

disinterested, being inspired only by the

teachings of Christ and his love for hu-

manity. He added that he would be

ready to give the whole support of the

Catholic Church to the person, institution

or country that undertook the noble mis-

sion of ending the war, "which dishonors

our generation by the ineffaceable stain

it places on modern civilization."
