Pleasures of Overland Travel.

Wonders of Scenery of the Rocky Mountains,

PACIFIC COAST AND THE TRANS-CONTINENTAL RAIL ROADS.

THE grandest of American scenery borders the magnificent route of the Pacific Railroads. Since their completion, the glorious views of mountain grandeur in *The Yosemite*, *The Yellowstone*, have become known. The sublimities of *Colorado*, the *Rocky Mountains*, canons of Utah, and the *Sierra Nevadas*, have become famous. The attractions of the Far West for mining, stock raising and agriculture have added millions of wealth and population.

For an entire week or more, as the train leisurely crosses the Continent, the little section and berth allotted to you, so neat and clean, so nicely furnished and kept, becomes your home. Here you sit and read, play your games, indulge in social conversation and glee, and if fortunate enough to
