## Bronze Electrical Figures from Germany

The modern home in its plan, is allotted alcoves,  
staircases, pedestals, to be adorned with bronze fig-  
ures with electrical fixtures. We have within the  
last few days, received large shipments of these figures  
direct from manufacturers in Germany. Hardly two  
alike in their variety of beautiful designs. Clusters  
of fruit and leaves with light appearing here and  
there. Character studies of the wage-earners in their  
daily toils, such as the Fisherman, the Miner, the  
Carpenter, the Stoker; others of childhood; and many  
art studies. In fact, they are here in dozens from  
the small figure of about 7 inches to large figures  
standing three feet or more.

To give you an idea of our extremely low prices  
for high-grade imported fixtures, made possible to a  
great extent by direct shipments, prices range from  
\$5.25 to \$75.00.

## A Well Appointed Stove

The Art Huron  
Base-Burner has 15-  
inch fire pot, duplex  
grates, which pre-  
vent any dust aris-  
ing, as with the or-  
dinary shaker. Base-  
burner throws heat  
over the floors, thus  
making an admirable  
stove for small  
houses, it being cap-  
able, with its pipe at-  
tachments, of heating  
five or six rooms. It  
is elaborately orna-  
mented and fitted
