NOBLEMEN CIGARS

The Noblemen's Message

"I'll prove the contrary if you'll hear me speak."
(King Henry VI. Act I)

Today the world is a big reception committee, waiting for the man with a message to speak. That is why the

DAVIS' "NOBLEMEN" CIGAR 2 for 25c

got a hearing, and became an assured success from the start. The "NOBLEMEN" was allowed to speak for itself. And to the smoker who thought "imported" cigars the "only thing," the "NOBLEMEN" proved the contrary. "NOBLEMEN" proved that Havana leaf and Cuban workmanship are the only elements that count in a high-grade cigar. The "NOBLEMEN" also proved that the smoker can save 50 per cent. and still get a cigar in all essentials the same as "imported."

"NOBLEMEN" also, 2-for-a-quarter. S. DAVIS & SONS, LTD., MONTREAL. "CONCHA FINA" also, 5 for 25c.
