OTTAWAS DOUBLE SCORE ON ARENAS

Fast and Clean Pro. Game at the Capital, Without a Major Penalty.

Ottawa, Jan. 9.—Securing a lead of one goal in the first period, in which Toronto, if anything, had a shade over the home team, and piaying them to a finish in the second and third period, the Ottawa Hockey Club's team defeated the Stanley Cup holders by a score of 4 to 2 at the local Arena tonight, thus closing up on Canadiens in the championship race of the National Hockey League. The hockey was fast and very interesting at all stages, particularly in the third session, in which the Ottawas put up their prettiest play. Not a major penalty was handed out, and several of the players, including Sprague Cleghorn, went thru the entire, game without a rest of any kind. It was exciting hockey, and until the last period, when Cy Dennenay notched his third goal of the night for Ottawa, the result remained in doubt.

The Toronto team appeared tonight, plus the services of Harry Mummery. The big cover-point, who did so much last season to help win the Stanley Cup, and the world's championship for Toronto, joined the blue shirts club at the Queen City Wednesday night and came east. Mummery started at coverpoint and played, except for one minor penalty, for the full game.

Mummery, who has been laid up in the west, is not in the best of shape, but he gave a good account of himself under the circumstances, and was certainly effective in stopping the rushes and shots of the Senators. He used his weight to advantage and gave every indication of a strong comeback,

TIRST DEFEAT FOR THE GOOD SEATTLE TEAM

last night, in a struggle which kept the full house of fans cheering from the moment Referee Hickey faced the puck, until the bell ended the final period. The score was one to nothing.

Despite the fact that they had lost their opening game, the Canadians dished up a brilliant brand of hockey in their first game in the local rink and they deserved the honors. The Mets. made one of their ninth innings rallies in the final stages and threatened to sink the marker, which would even the struggle, but wise, ardent goal tending by Murray and excellent round defensive work by the winners saved a score.

Canoeists Score Ten Goals in Junior Fixture - New Player Good.

Parkdale juniors made a light lunch of the Maitland team in their scheduled O.H.A. fixture at the Arena last night. The paddlers won 10 to 1 and should have been credited with a whitewash. Worters pulled the only goal chalked up of or the north-end club into his own net in the opening period. morth-end cinb into his own net in the opening period.

The P. C. C. outfit worked like a smooth machine. They now have the team-play down and should give Aura Lee a great battle when they meet. The water dogs showed a new boy in Cain at right wing. He is the finished article and will easily hold his job.

Maitlands best card was forced to retire in the second period. Rusty Ross collided with Jess Spring and was unable to continue. Waldran was the pick of the Maitland forwards. He was shooting in deadly fashion but Worters turned them all aside. Milt Burt did some nice checking but Goaler Stone was below par on his clearing and the Paddlers came and batted in many before he could get rid of them.

Hueston who enthand for the wiresand the Brooklyn pitched in 41 games, Grimes of Brooklyn pitched in 41 games, with 111 chances, but he had five errors. W. Hinchman, Pittsburg, outfielder, went thru without an error, the was only in 40 games, and accepted all of his 36 chances. Konetchy of Boston is the champion of the league in defence work, having only 11 errors in 1297 chances. The leaners who played in 100 games or more, are:
