each paper. Mr. James Mitchell, Goderich, who it was stated was more extensively engaged in West Huron, was unable to be present to read a promised paper on "Special Attractions." In his absence, Mr. H. J. Hill, manager of the Toronto Industrial Fair, was requested to take up the subject.

Mr. Hill said he thoroughly believed in special attractions. The Toronto management spent \$18,000 for special attractions; the grand stand receipts were \$24,000; so special attractions paid well here. He believed in special attractions for all fairs so long as they were kept within proper limits. The taste of the public had to be considered. Although much had been said occasionally against the attractions at the Toronto Fair, except in one case in the course of 10 years nothing could be found that was reasonably objectionable.

After thanks had been given to the readers of papers, a committee was appointed to examine the system of bookkeeping at the different fairs, and to report on the best methods.

Officers for the Year.

The election of officers resulted as follows:
President—T. P. Wallace.
First Vice-President—James Reeth.
Second Vice-President—G. R. Vanzant.
Secretary—Alex. McFarlane.
Executive Committee—Dr. Clark, S. Birdsal, T. McConnell, James Kirkwood, Geo. Elliott, T. Crawford, S. McClure.
Auditors—G. W. Fitzgerald, T. F. Wallace.

A vote was passed awarding the secretary \$10 for his services for the past year. It was decided that the next annual meeting be called by the president and secretary at or about the same time as some similar association meeting in Toronto.

The Upper Canada Tract Society.

The Board of Directors met last night, with Mr. J. K. Macdonald, president, in the chair. Arrangements were made for the annual meeting in April. The reports of the missionary collectors show that during January they had sold no less than 2945 copies of religious books, Bibles and Testaments. The reports of the new mission collectors show that they have been blessed with results. Mr. Potter, one of the salaried missionaries, who has been laid aside by sickness in Winchester, is now back to Kingston. A large number of parcels of literature were sent out during January to lumber camps, missions, needy Sabbath Schools, hospitals, etc. During January the secretary, Dr. Moffat, visited Clinton, Seaforth, Waterloo, Kincardine, Walkerton and other places, and gave 30 sermons and public addresses on the missionary work of the society in Canada and in Central China.

A Magic Pill—Dyspepsia is a foe with which all are acquainted. Subdued, and to all appearances vanquished, in one, it makes its appearance as a cruel director. It turns the digestive apparatus into an elaborate system of machinery, in which even a touch of acid will make a sensation. With such persons the stomach is a source of trouble. It is not a disease, but a condition, and can be cured. To those who suffer from it, the following is a sure cure.
