OPENING AT CHICAGO'S LAKESIDE.

New York, Oct. 30.—Glenoine in the last race was the only favorite to win at Aqueduct to-day, the other five going down in quick succession. Bullman took the jockey honors, winning the last three races. The followers of O'Conner had a bad day, as he did not ride a winner. The fourth race, a handicap at a mile and a furiong, was the best of the day. Trillo was made a slight favorite over Walt Not and Lothario. He made the running up the back stretch and round the upper turn, with Walt Not close up and the rest of the field iralling. He went wide, coming into the stretch earrying Walt not with him and Bullman, bringing Lothario through on the rail, saved ground, and in a hard drive through the last sixteenth won by a neck from Trillo, walt Not 116, Exit 107.

their colors against S.P.S. on Saturday. Varsity's team—Goal, Soule; backs, Telford, Harrison; halves, Biggs, Smelle, Dyment; forwards, Allan, Trumpour, McQueen, Broder, Burton.

There was a rather pretty game of ball on Varsity campus Monday afternoon, between Varsity II. and McMaster II. The quality of ball was rather, above intermediate standard, and the game was very exciting. McMaster scored soon after the kick-off, and things looked blue for Varsity until the latter end of the last half, when the forwards who had been crowding the McMaster goal for quite a while, scored two in quick succession, and won out by 2-1. Varsity seconds were in better condition, and managed to keep up a thought to the last, which accounts for their garrison finish. Roebuck's knee was again injured in the first half, and he retired in favor of Gowland. Cranston also was injured and had to go in goal, White; backs, Roebuck, McBean; halves, Cranston (captain). Phipps, Hackney; forwards, Allan, Fisher, Cudmore, DeLury, Glichrist.

Amusing Game at Varsity.

It was a rather funny game of Association football between the first and second year Natural Science and their brethren of the third and fourth years. About two men on the freshmen and sophomore team knew how to play ball, and the other nine positions were filled by a wild conglomeration of running, kicking, yelling objects. The temerity of the freshies in venturing to face their seniors was severely and justly punished by having four goals scored on them, and as they never got within the horizon of their opponents stakes, the game ended 4—0.

Miss L. E. Stark and Mr. F. R. Beatty were the accompanists. A pretty feature of the program was the chorus, "Soldiers of the Queen." A brief address was made by the president, W. E. Dyer.
