REV. J. A. ALLEN PRESIDENT

Toronto Conference Began Its Sessions in the Metropolitan Church Yesterday.

REV. DR. CARMAN'S ELOQUENT TALK

Rev. Dr. Dewart Celebrated His Fiftieth Year in the Ministry Last Night.

The nineteenth annual session of the Toronto Methodist Conference was opened yesterday morning in the Metropolitan Church, with about 300 delegates in attendance. The most important business of the first day's session was the election of president and secretary, to succeed Rev. J. F. Ockley and Rev. T. E. E. Shore. For the head office Rev. James Allen, M.A., of Sault Ste. Marie, and formerly pastor of Sherbourne-street Methodist Church, this city, secured 211 votes, while the next was Rev. J. A. Rankin, who obtained 22 votes. Nineteen others polled one vote each, while five got two votes each. Rev. Mr. Allen returned thanks for the honor accorded him and was presented with the staff of office by the retiring president.

Rev. Henry Harper of Huntsville was elected secretary on the second ballot. He was opposed by Revs. Mr. Fitzpatrick, Mr. Hansard and T. R. Young.

The new president of the Conference is well known in Methodist circles, having filled many important pulpits. He has occupied the pulpit in the Metropolitan and Sherbourne-street churches in this city, and has been stationed at the Centenary Church, Hamilton; Grace Church, Winnipeg; Cobourg, Brockville and other points. He is now located in Sault Ste. Marie, and is also chairman of the Soo district. The new secretary is also an energetic worker and an able speaker.

Patriotic Address.

Prior to the elections Rev. Dr. Carman, general superintendent of the Methodist Church, delivered a masterly address dealing with the prohibition situation and other matters. He rejoiced in the declaration of peace and that it had been brought about by an empire of which all should feel proud. The Boers had taught the English more than one lesson and the conquerors had learned to respect the vanquished. The speaker referred to the loyalty of lay brethren in coming to the aid of the church when in financial difficulty. Referring to prohibition Dr. Carman said:

"Statements have been made that the cause of temperance in the country was losing ground. Is this true? It is quite easy to say no. But when I look at what governments have done and how we have been teased I am not quite so sure that some supporters of the cause are dropping from the ranks at a critical moment." Continuing, he said that what was needed in the temperance cause was strenuous men, and it was a time for the development of strenuous men. He deplored the fact that parties operated to make noble men mean. It was time to turn a sharp eye to party politics when party politics put noble men on a plane with degraded men. The whole matter was resolved into a question of three words, "caucus or conscience," and he regretted that caucus had come in. The doctor declared that if the advocates of temperance showed one-half the zeal in the coming campaign that was shown by the parties in the recent election they would bring out a tremendous majority in favor of prohibition.

Ministerial Session Sustained.

The meeting passed a resolution prohibiting the circulation of any literature in the church without the permission of the presiding officers. The report of the ministerial session, refusing the application of Rev. Dr. Hunter, who is desirous of becoming an active minister again, was sustained.

The afternoon session was opened with devotional exercises by Rev. William Burns, after which routine business was transacted and the Conference properly organized.

Committees Appointed.

The Nominating Committee, reported, giving the committees appointed and their convenors, as follows: Temperance Committee, E. S. Spence; Sunday-school Committee, T. Dunlop; Epworth League Committee, N. W. Rowell; Missionary Committee, Rev. Jos. Allen; Church Property Committee, Dr. Hough; Sustentation Committee, H. L. Lovering; Sabbath Observance Committee, Rev. Dr. Withrow; State of the Work Committee, D. James; Memorial Committee, Rev. Dr. Parker; Contingent Fund Committee, Rev. L. H. Smith; General Conference Memorial Committee, Rev. Dr. Tovell; Education Fund Committee, Rev. James Allen; Conference Journal Committee, Rev. Dr. Wallace; Deaconess' Fund Committee, Rev. Dr. Chown. Rev. George Washington was appointed treasurer of the temperance fund, to succeed Rev. H. M. Manning, who has left the Toronto Conference. Rev. R. N. Burns was appointed chairman of the Brampton district.

To Be Sent to College.

The following were recommended to be sent to college: A. Harrison Booth, jr., F. C. Stephenson, A. E. Luhm, F. C. Pamwell, B.A., Albert J. Bryce, Geo. N. Gray, Austin P. Stanley, E. Barker, John J. Coulter, David Memomene, Jas. [illegible] D. Wallace, A. Newton St. John, B.A., F. J. Rutherford, E. M. Burwash, M.A.

To the Prince of Wales.

A reply was read from the Prince of Wales acknowledging the address presented to Their Royal Highnesses by Conference during their visit to Toronto. After the reading of the letter, which referred in glowing terms to Canada's loyalty, the members stood up and sang the National Anthem. Votes of thanks were passed to the retiring president and secretary, both of whom made brief replies.

The various committees met during the afternoon and prepared reports for presentation to the Conference.

Dr. Dewart's Jubilee Sermon.

The Metropolitan Church was about half filled in the evening, when a jubilee sermon was delivered by Rev. E. H. Dewart, D.D. After the opening religious proceedings, the president, Rev. James Allen, made a brief address, in which he congratulated Rev. Dr. Dewart on his jubilee, pointing out that it was a grand sight to see old age. He hoped that the Lord's choicest blessings would rest on the aged divine.

Rev. Dr. Dewart took for his text a portion of Deuteronomy, viii., 2, and Psalm xc., 12. He urged all to work incessantly for Christ, and when leaving this world to bequeath something to those left behind that will help make the world better. He didn't believe the world was getting worse, as many people continue to say. To-day, he said, much good is being done. At no time was there such a profound interest taken in the education of the young as at present. Looking back over the 50 years he has spent in the ministry, the doctor found that there had been a great movement upward and forward. He spoke of the circumstances under which the early Methodist ministers labored. He saw the self-sacrifice made by godly men, whose work had been faithfully and well done. Back at a Belleville conference the speaker had met 204 ministers. Of these only 13 were now living.

"What will be the future of Methodism in this great country of ours?" asked the speaker. "There is a vast opening for the Christian churches in Canada." He wished to impress on the men who will minister unto the people of the future, what part Methodism shall play in the work. It depended, he declared, on how the Gospel was ministered. In conclusion he called on the ministers to continue the work of Methodism, and make it still a greater and grander cause. At the close of Dr. Dewart's address, a conference communion service was conducted by the General Superintendent, Dr. Carman.

Conference will resume this morning at 9 o'clock.

CAUGHT ON THE BRIDGE.

Woodstock, June 5.—Bernard Babb and his little sister, Hilda, 3 and 5, respectively, were caught on the C. P. R. Bridge, just west of the city, by a freight train. Hilda crawled to safety, but Bernard was killed.

Hamilton Conference.

Woodstock, June 5.—The officers elected in the Hamilton Conference are: President, T. Albert Moore, Hamilton; secretary, David A. Moir, B. D, former assistant secretary, Oakville.

Impurities in the Blood.—When the action of the kidneys becomes impaired, impurities in the blood are almost sure to follow, and general derangement of the system ensues. Parmelee's Vegetable Pills will regulate the kidneys, so that they will maintain healthy action and prevent the complications which certainly come when there is derangement of these delicate organs. As a restorative these Pills are in the first rank.

Civic Water Plant.

St. Bonoface, June 5.—A bylaw for $100,000 to establish a civic water plant will shortly be voted on.

Catarrh JAPANESE CATARRH CURE removes that stuffy feeling in the head and nose, clears out the throat and stops the droppings of the catarrhal secretions, then heals and purifies the diseased parts. Every breath carries its healing properties throughout the entire breathing apparatus. Don't suffer longer, Japanese Catarrh Cure will cure you. Send 5c for sample. 50c at all druggists, or postpaid from the Griffiths & Macpherson Co., Limited, Toronto.

London Conference.

Sarnia, June 5.—At to-day's session of the London Conference the following young men are recommended to be sent to college: Amos Thomas, Clayton Moorehouse, James E Hunter, Wm Conway, Anson Moorehouse, Chas J Wilson, W A Gifford, W A Findlay, W A Walden, G W Rivers, J H Osterhout, J F Knight, H F Kennedy, Thomas Philp, F W Langford, Chas W Morrow. The following candidates for the ministry were recommended to be received on probation George H Tuckey, Morley D Madden, Chas W Downer, W H Harris, R S Baker, J A Agnew.

Combes to Do It.

Paris, June 5.—Later in the day, Senator Combes (Progressive Republican, and ex-Vice-President of the Senate), accepted the task of forming a new cabinet.

Mild in Their Action.—Parmelee's Vegetable Pills are very mild in their action. They do not cause griping in the stomach or cause disturbances there, as so many pills do. Therefore, the most delicate can take them without fear of unpleasant results. They can, too, be administered to children without imposing the penalties which follow the use of pills not so carefully prepared.

Tired Out

That's nothing. Every one is tired at times. The trouble is you can't get rested. It's your impure blood that makes the disturbance. Try Ayer's Sarsaparilla. Your doctor will tell you what is in it, and why it will help you so promptly.

"I suffered terribly for 12 years. The doctors said my blood was all turning to water. At last I tried Ayer's Sarsaparilla, and was soon in the best of health again."

FIRE INSURANCE AGENTS

The curtailment of limits on the part of many companies and the disappearance of others through amalgamation have doubtless produced such a stringency in the market that many agents find difficulty in placing their business. We invite correspondence with agents who find themselves in this position, to whom we can offer unexcelled facilities for handling all classes of fire risk.

ALDERMEN MAKE A PROTEST

Say Grand Jury's Message on Court-St. Police Station is Grossly Exaggerated.

THEY LOOKED THE PLACE OVER

Plans to Improve Dufferin-St.—Half Holiday for Civic Officials—City Hall Notes.

Gross exaggeration on the part of the grand jury was the verdict of the Property Committee, after looking over the Court-street Police Station yesterday afternoon. Ald. Richardson, the chairman, said so, and so did Ald. Harvey Hall and Ald. Burns. Ald. Lamb had a similar opinion, and they all thought that the station could be put in a thoroly sanitary condition with an expenditure of from one to two thousand dollars. They thought the police themselves might make the place a little more comfortable and healthy if they would devote some attention in that direction and would use the same energy they use in making complaints.

The visit to the station was the outcome of a lengthy argument in the Property Committee. Fault was found with the caretaker, but there were no arguments to justify it. The station, as it is now, is no doubt in bad shape, but it is not as bad as it is claimed to be. The plumbing wants mending, and the walls want some whitewash, with lots of lime in it. The aldermen searched hard, but could not find a single bug to substantiate the rumors of vermin.

The Board of Control will take a look over the station to-day, and the Property Committee will hold over their report until the board sees what the situation is.

Cyclorama Property.

The committee had an interesting session. A letter was received from a legal firm in regard to the Cyclorama property. The communication said that, during the negotiations which resulted in the proposition which was made, a prompt reply was expected, and that, "after you had worked our clients up to the point which you did, that you were satisfied with the offer which we put in, altho our clients thought that they were paying more than they should." A prompt reply was asked, to show what the city was going to do about the matter, as, from newspaper reports, the firm thought there was no telling how and when the city would arrive at a decision.

The Walker House offer is off. Another legal gentleman wrote that his clients were not disposed to offer more than has already been offered.

The committee decided to again recommend that the lease be granted to H. W. Petrie. Ald. McMurrich, Urquhart and Burns strongly favored giving the cabmen a chance, and wanted the lease to go thru, on the condition that cabmen can have a right to be on Station-street.

City Hall Door.

The City Commissioner was instructed to see that the City Hall doors at the James-street entrance are made safe and convenient for the public, whether he has to move the doors or not.

A sub-Committee on Works met yesterday afternoon, and gave some time to the consideration of the cost of water to parties living outside of the city. There are about 50 parties getting the water now, and they pay about four times as much as the citizens pay for the same service, and the city gets about $1400 per annum from this source. In the opinion of Ald. Lamb, the rate should be doubled. People living outside of the city should not be allowed to enjoy the privileges of those who pay the taxes. Ald. Graham thought the people living outside the city should pay for the water the difference between what they now pay in taxes in the county and what they would pay in taxes if their property was in Toronto. According to this plan, the city would get about $2000 more a year. Ald. Graham and Secretary Clarke will get some additional information for the committee.

Saturday Half Holiday.

At a meeting of the Legislation and Reception Committee, yesterday afternoon, a bylaw was endorsed, to give all permanent civic employes a half-holiday once a week during the months of June, July, August and September.

City Solicitor Caswell was asked to draw up a bylaw to define the duties of the new Inspector of Elevators, which is a recently-created office. An inspection fee of $2 will be charged for each of the 800 elevators in the city.

The work of consolidating the bylaws will be continued, notwithstanding the stinginess of the Board of Control in voting the money for this purpose.

To Improve Dufferin-St.

Ald. Hall is anxious for a concrete sidewalk and an asphalt pavement on Dufferin-street, from King to the Exhibition Grounds, and it will be recommended. Ald. Hall is also working the wires for a concrete sidewalk on Gladstone-avenue, north of College-street.
