

## THREE CAN KEEP A SECRET

### IF TWO OF THEM ARE DEAD

When we commenced seiling Sovereign Brand Suits last year only we knew that we were handling the very best line of Suits that the sun shone upon.

We told the secret to our newspaper ads. and to our windows. Now most everybody knows it.

Sovereign Brand is construct ed on entirely new principles, in fact, it is custom made garments all ready to wear; that's what it is.

Next time you feel like buying a made-to-order suit just take a few minutes and look at Sovereign Brand. May-be you'll NOT place the order. See the point?

A METHODIST LADIES' COLLEGE.

Rev. Dr. John Potts treesware the control of the speed to the control of the control Frank Stark Incriminated in Hold-Detective Duncan and P. C. Kennedy have laid their hands on another of the miscreants who assaulted and robbed James Aldred on the corner of church and Adelaide-streets, at about 4 o'clock on Tuesday last. The first one, Andre Treffie, was arrested by P. C. Guthrie on the same day, and the detective department have been on the look-out for the other two.

When Aldred was assaulted he was counting his money, and as the thieves snatched the bills he clung to them. Fortunately he retained in his hand the corner of each of the motes, and the police took the numbers thereon and sent word to the banks.

The bills found their way to a business man of the city, and thru him the detectives were enabled to trace them to Frank Stark, a well-known figure in police records, who lives at the corner of Edward and Toronto 100.
