

ment of Infantry, has been disappointhis ambition

Altho Burr succeeded, by means of a novel harness and a nerve-racking ordeal, in making himself taller, he failed of election to the desired rank, Sergt. Charles F. Bennett winning out by a vote of 49 to 4 at a meeting last

siderably owing to the fact that visi-tors are economizing in all directions. The report of one big hotel company issued this week states that people. who formerly made long visits at hotels now depart sooner, and during their stay spend much less for wine and other luxuries. Restaurants Face Loss. Sergt. Burr is 35 years old. He succeeded in getting into the company six years ago when it was short of men, altho he lacked half an inch of the Big restaurants are also doing bad-ly, and they do not look for any in-crease in their receipts until people have more money to spend. Men who formerly dined at what may be termed extravagant West End restaurants new go to those that are more rearequired height of 5 feet 4 inches for militiamen. Burr says he was defeated because of the notoriety he had

GERMAN TRADE INCREASES.

now go to those that are more rea-sonable, and other diners-out have vanished from their old haunts alto-Berlin, July 31.-Germany's foreign gether. trade for the last six months shows At one of London's largest stores dethat the imports amounted to \$795,000,-000, an increase of \$25,750,000 over the pression was attributed to the war, to increased taxation, increased rates and 10, an increase of \$25,750,000 over the orresponding period last year, and the xports aggregated \$627,000,000, an in-rease of \$21,250,000. The cotton im-rease of \$21,250,000. The cotton im-rain imports decreased \$5,000,000. Under exports the following increases are registered: Machinery and instru-ments, \$5,750,000; cotton goods, \$5,500,-000; grain, \$3,750,000, and wool and woolen goods, \$3,000,000. The iron ex-ports dropped \$3,000,000. corresponding period last year, and the exports aggregated \$627,000,000, an increase of \$21,250,000. The cotton im-ports increased \$12,000,000, and the

are registered: Machinery and instru-ments, \$5,750,000; cotton goods, \$5,500,-000; grain, \$3,750,000, and wool and woolen goods, \$3,000,000. The iron exports dropped \$3,000,000.

Piano Playing for the Hair. creasing. Travel is Falling Off.

London, July 31 .- Piano playing is Railways also show a decrease, the now said to be an excellent tonic Railways also show a decrease, the explanations given at several company meetings this week of the great falling off of passenger traffic receipts being that it is due to bad trade and a gen-eral shrinkage in the spending power of the nation. The decrease, it was stated, was in the first and second class traffic. In much the same strain is the plaint of the West End house agent. the hair, in support of which theory the luxuriant locks of many famous pianists are mentioned, and certainly when one comes to think of it, it is rare indeed to see a professional piano player who is not thoroly well supplied vith hirsute adornment of the cranium Indeed, it has often been laughingly said that it is impossible to make a agent. On the stock exchange the situation name for oneself in the musical world, either as a pianist or violinist, without long hair, and if this theory is corleads to general inactivity and depres-sion of the markets. This is a natural

rect, it would seem as if, to some ex-tent, this is true, the explanation beresult of excessive borrowing caused by the South African war and now ing that the more brilliant and power being continued by what promises to ful an execution one is the more luxurible the long war in the far east.

street, walked into Bellevue Hospital that people cannot afford the luxury last night with his arms and face bad-ly swollen, as he said, from mosquito bites. The man was attended to by Dr. Nicoll, who said that his case was serious. Kelly's arms were swollen to almost twice their natural size, and his face was even worse. He said he was employed in Central Park, and that a few days ago he had bee

Solid Brass Bedsteads, large size only, bow foot, regular 29.00 \$35.00. Sale price.... Norris, who lives near Jeffersonville, Ind. Early this morning Mrs. Dona-hue, a neighbor, telephoned Mr. Norris that she had noticed a big snake on his gate. Mr. Norris hurried to the gate and found that a viner good the gate Solid Brass Bedsteads, mission style, large size, regular 57.50 and found that a viper, over three feet long had been fastened to the barrier scarcely be noticed from the inside.

Had Mr. Norris not been warned, it is almost certain that he would have started to open the gate without seeing the reptile, which was angered by its imprisonment, and would presumably have sunk its fangs into his hand. The bite of a viper is exceedingly dangerous. After killing the snake Mr Norris found that it had been securely fastened by a nail driven thru its tail. Mr. Norris suspects an unknown

Killed in a Heap. Exchange: An extraordinary effect of the lightning's work was seen on the farm of Joseph Gerrish on Thurstay morning after the storm of the of the first week of the cotton night before. The farm is near Bright, strike finds the situation unchanged. It was reported in Thursday's paper It is estimated that it will cost that Mr. Gerrish lost eight head of 000 a week to continue the strike. cattle. A farmer who saw the havoe
