I had consulted a score of physicians, taken all kinds of blood medicine, visited Hot Springs and other mineral water resorts, but only got temporary relief. They would help me for a time, but after discontinuing the modicines the symptoms would break out again — running sores, blotches, rheumatic pains, of the hair, swelling of the glands, palms of a similar disease eight years ago. I had no hope, but took his advice. In three weeks' time the sores commenced to heal up and I became encouraged. I continued the New Method Treatne at for four mouths, and at the end of that signs of any disease since. My boy, three years alo, is sound and healthy.
