

The windy month Of March is here— Some warm things left That are not dear.

While Winter lingers in the lap of Spring we are making a final clearance of cold weather fashions. The value of store space is our only reason for the reductions, and the low prices give you the opportunity of a practical investment.

WHY E. J. LENNOX CHARGES

Continued From Page 1.

Plaintiff spent the whole of his time during the day and in the evening from May, 1902, until the end of September, when possession was taken, and for the next six weeks thereafter, in this matter entire, and considers his services worth \$10,000.

The city requested the architect to take full charge of the building operations and carry on the work by day labor until persons desiring to tender for the completion of the works could make an intelligent estimate.

In 1899 he was requested to interview the heads of various civic departments for information re furnishings required and to prepare estimates—\$150.

In 1899 he was asked to report fully on the condition of each contractor's work—\$50.

In 1891, the then senior judge of the county having demanded that the city should specially furnish his court-room and the offices of the various county officials, he was asked to report—\$50.

In 1899 he was asked to report on the kind and arrangement of vault fittings in various departments and for estimates—\$50.

In 1900 he was asked to report fully on the final closing of all contracts—\$50.

In 1901 he was asked to set out in detail the amount of each contract and the balance still due—\$50.

The 26th annual masquerade ball at the Toronto Liederkreis Club last night was the most successful in the last four years, over 150 couples being in costume.

Among those present were: Mr. and Mrs. J. Jurassick, Mr. and Mrs. Wm. Maher, P. Lang, J. C. Noe, Mrs. A. Poulton.

Conference of Editors. LONDON, March 2.—(C.A.P. Cable) Arrangements are making for an imperial press conference in England and the principal editors of the empire will be invited.

H. E. Kelly, formerly chief despatcher for the C.P.R. in Toronto, is lying in the Chatham Hospital critically ill. Mr. Kelly held that position for some years. He was well known from here to the coast by all railroad men.

SLEEPING SICKNESS IN AFRICA

Still Destroying Thousands

Science has found it well nigh impossible to counteract the ravages of the African Sleeping Sickness. It is a painless, but deadly disease, like you feel when all reason why they shouldn't try to overcome it. For instance, take your own case, there may be no special ache or pain—yet you are pale, nervous, colorless and weak in the muscles. Your system is crying for nourishment, clamoring for purer, richer blood. Your nerves are starving for the support that only a healthy body can give, and it's small wonder you feel so fagged out, so utterly run down and helpless to work as you would like to.

There is a very simple way to get strong. All you have to do is take Ferronine at meal time. It contains bone-making, tissue forming material, constituting tonic effect digestion improves—sleep comes readily and brings rest for body and mind alike. For the man who toils hard, Ferronine is a boon—for the boy at school it does wonders—for the maiden budding into womanhood it does untold good, just as it does for the aged, the matron and the mother. In short, Ferronine is a perfect tonic and system-builder. Good at all times and for all people. Can you afford to miss its benefit—50c per box at all dealers.

York County and Suburbs

World subscribers in Toronto Junction are requested to register complaints of carelessness or late delivery at The World Branch Office, 22 Dundas-street East, Toronto Junction, or The World Office, 83 Yonge-street, Toronto. Intending advertisers may also transact business at the Junction Office.

JUNCTION COUNCIL DISCUSS NEW ENGINEER

Members Talk About Matters of Interest to Town—York Co. Items in Brief.

TORONTO JUNCTION, March 2.—The question as to the appointment of a town engineer to look after all matters pertaining to the streets and sewerage was discussed by the council at their meeting to-night and referred to the works committee for consideration. Applications for the position will be received until the committee meets. Councillor Sheppard introduced the matter and thought that a first-class engineer would save the town hundreds of dollars per year. He did not suggest that a man who would demand \$400 or \$500 a year should be engaged, but a capable engineer who, to use Councillor Sheppard's own words, "would save the town his own salary as well as that of Street Foreman Moon."

Councillor Jennings pointed out that such men were not to be had for the money. It would be impossible to obtain one. Councillor Hain declared himself in favor of the proposal. He said that the Street Foreman Moon was unable to handle the work of the department, because he was not an expert in Private Property. A deputation of residents from Private-road waited on the council with the request that the Elizabeth-street end of Private-road be fenced. The part was blocked by several fences and an old shed. Town Solicitor Anderson thought that it was private property, and that the council, therefore, would be unable to interfere. On behalf of the deputation E. Dunlop pointed out that the residents recently had been provided with town water. After considerable discussion the council decided to have the town solicitor investigate the matter and report as to whether the street was a public or private thoroughfare.

Town Solicitor Anderson and Street Foreman Moon were instructed to take proceedings against the C.P.R. for blocking Elizabeth-street with shacks and a string of cars. The street foreman reported that the obstruction of traffic was a nuisance. He had been previously ordered by council. Street Foreman Moon reported that owing to the absence of a teamster he was forced to employ another man. They are both receiving salaries, and he was asked to check all the work done by the man he paid during the time he was not working. The case of Electric Light Supt. Hardy was cited as an instance of a man receiving a salary when off duty, but some of the councillors agreed that this was a just claim. Mr. Hardy was indisposed thru meeting with an accident while on duty. On the suggestion of Mayor Baird the matter was left over till the next meeting of council.

A communication was received from Superintendent McMillen directing the works committee asking that the boiler house of the old electric light power station on Weston-road be vacated and given over to the works department. Hydrants, piping, etc., could be put in the house, which is used for storing tools and forms of a corps of the York Rangers. Mr. McMullin's request was granted, and the uniforms will be removed.

Gets Leave of Absence. A motion was passed granting Councillor Veal leave of absence from council and its committee meetings during March. A small fire occurred in the Dunlop-street drug store on Dundas-street about 6.30 o'clock to-night. A still alarm was set in, to which the firemen responded, and extinguished the blaze with chemicals. The fire was caused by a stove in a lighted match and a wooden partition.

Muriel Hall of 185 Walloway-avenue, who has been seriously ill with pneumonia, is now out of danger. Goes to New York. Lorne R. McClure, who for the past four years has been travelling salesman in Eastern Ontario and the Maritime Provinces for Armour & Co., Ltd., Chicago, is going to New York City, where he has been given a better position by the same firm. Mr. McClure's home is 70 Pacific-avenue, and he is a brother of the late David McClure, who died in Ottawa recently.

Two classes of the Annette-street Methodist Sunday School and their friends held an enjoyable sleigh ride party to-night, and were afterwards entertained at Mrs. Wakefield's on South Union-street. The by-law regarding the licensing of restaurants was passed before Christmas some of the restaurant proprietors have not yet got out a license. Chief is Busy. The by-law requiring laundries to have a license came into force early in February. Chief of Police Pinfoot, in company with the medical health officer, Dr. Gilmour, is at present making a tour of inspection of the laundries in town with regard to cleanliness, sanitation, etc., before allowing the licenses to be issued. Superintendent McMillen of the waterworks department is directing the map of the Junction's waterworks system. He is at present engaged in indicating the position of the different mains and hydrants on a map of the town.

New Bank's a Beauty. The new building of the Bank of British North America, formerly opening this evening. Crowds of admiring spectators visited the place from 7 o'clock to 10 p.m. The new bank is one of the best equipped in the city, and includes spacious and elegant living apartments for the staff. The office buildings are of a magnificent type, and the vaults are of the modern type. Mauder McEachern

Members Put Thru a Lot of Useful Legislation. COUNCIL CHAMBER, March 2.—At to-day's meeting of York Township Council, a petition was received from ENGLISH SILVERWARE WANLESS & CO., 168 Yonge Street.

DOCTORS HAVE RAISED FEES

"Yes, Mr.," remarked a prominent physician, "they have, and I don't think it's right in these hard times. As a protest, I give this valuable prescription (which has cured hundreds) to all sufferers from La Grippe, Colds, Coughs, Bronchitis, Croup, Throat and Lung Diseases, free of charge." It is as follows: Fluid Extract Licorice, one-half ounce. Syrup White Pine Compound, one ounce. Glycerine, one ounce. To this add three ounces of boiling water, and take a dessertspoonful every 4 hours. This formula can be filled at any reliable drug store.

deserves congratulations for the able manner in which he has superintended the work of the council. The building will also be opened to the public to-morrow (Tuesday) from 8 to 11 p.m. The last of the season at Ravina Park will be held to-morrow (Tuesday) evening. Prizes in gold will be given.

EAST TORONTO. Many Friends Attend the Funeral of Late Miss Culliton.

EAST TORONTO, March 2.—Interest in the regular weekly meeting of the Balm Beach Golf Club on Saturday was keener, and the scores possibly of a higher average than ordinarily. For the Edmonds Cup and Russell & McGaw Cup the results were as follows: James Shaw 25, Ten Eyck 25, McCaw 25, Durr 25, Hanbury 25, Anderson 25, Bow 25, Smith 25, Lyonde 24, G. Hunter 23, Davis 22, C. Ross 22.

For the silverware presented by Mr. Eaton of Rochester, 10 birds, the score was: Ten Eyck 9, Draper 8. For the gold presented by the result was: Both 10, Draper 9, Lyonde 9, Bond and Wiley 8. A meeting of the public school board was held to-night when routine matters largely were under discussion. Quite a number of townshipspeaks this morning attended the funeral of the late Miss Culliton, which took place from her father's residence, Macdonnell-street, at St. Michael's Cemetery. The pall-bearers, schoolmates of deceased, were: Stewart, Tom, W. Rogers, E. Gilding, W. Hutchinson, T. Dunn and Alfred Dunn.

NORTH YORK INSTITUTES. Only Bad Roads and Inconvenient Weather Can Cause Failure.

Owing to the postponement of the regular supplementary meeting previously advertised, the executive have been successful in arranging with the department for final meetings to be held at the following places and dates: Nobleton, village hall, March 4, at 1.30 p.m. sharp; Kettleby, Temperance Hall, March 4, at 1.30 p.m. sharp; Mt. Albert, town hall, March 4, at 1.30 and 7.30 p.m. sharp. Incidentally, Messrs. Raybould and Vaughan talked road improvements and lights on Jane and other streets, and the matter was referred to the committee asked for should be attended to as early as possible. A deputation representing the unemployed of Beld and Ashdale-avenues, and other streets, were also present to give their names to the road commissioner.

Mr. Leaman, who claims \$100 damages by the last storm on Pape-avenue, appeared again with the expectation of getting his cheque for the above amount. Town Solicitor Kyles gave it as his opinion that the township is not liable. Mr. Leaman promised a test case.

SCARBORO OLD BOYS. Now it's Scarboro Pioneers Who Will Foregather.

The annual banquet of the Scarboro Old Boys' Historical Association will be held at the Clyde Hotel on Friday evening, Feb. 12, at 8 o'clock. Tickets may be procured from the members of the executive committee. James Chester is president, T. C. Irving, vice-president, and J. C. Clarke, secretary, of the association.

BRACONDALE. Yarmouth Lodge, S.O.E., Have Fine Banquet and Concert.

BRACONDALE, March 2.—On Friday last the seventeenth annual supper and dance of the Yarmouth Lodge, S.O.E., was held in the assembly hall of the Elmer School, when about 230 sat at the tables. The tables were very tastefully decorated with Union Jacks and roses. Bro. E. Bogie, P.D., occupied the chair, and was surrounded by officers and past officers of the lodge. The program was a long one, and much enjoyed. During the evening the Yarmouth Brass Band gave several selections under the leadership of Bandmaster Bro. F. Nunn. The committee may well be congratulated on their success.

MIMICO. Storm Didn't Damp Enthusiasm of Industrial School Boys.

MIMICO, March 2.—Some of the police village commissioners attended the meeting of council to-day at Islington. In the interests of the village, the continuation of the good work of last year in both sidewalk and street improvement is most desired and needed, and while they may increase the tax bill a little the result is worth all the extra cost. There is some talk of private doings in the matter of new contracts for the improvement of the village, which, it is hoped, may materialize soon. Yesterday's storm interfered very much with the attendance at the church services. It was one of the worst blizzards of the winter, but not great enough to prevent the boys of the Industrial School, 200 Strong, marching the mile to church in the morning. This weekly church parade of the boys is not only attractive, but a most exemplary one. The Methodist ladies are arranging to hold a social at the parsonage on the evening of March 7. An interesting evening is promised.

Jimmie Hood is back again at his place in the stable of the Toronto Fire Brick Company, after an enforced idleness of several days from an injury received in the stable.

sixteen property owners on Belfair, Lee, Wheeler and Pinehurst-avenues, asking for permission to secede from the Township of York and annex to the Town of East Toronto, so that they may obtain the advantages of the waterworks and electric lighting system, together with the local improvement system. There are twenty-five freeholders on the avenues named, with an assessment of \$12,350, according to the last revised assessment roll. The council, by resolution, decided to keep entirely neutral in the matter, neither giving nor withholding its consent.

J. A. L. Macpherson, clerk of Etobicoke Township, submitted a copy of a petition to the legislative assembly, asking York Township to assist Etobicoke in the passage of certain amendments to the Municipal Act, viz., that certain powers at present given to cities, towns and villages be extended to Etobicoke, and that a certain limited distance of the large cities in Ontario.

Want to Take 'Em Over. An invitation was extended to Reeve Henry and the council from the Ratepayers' Association of Earlscourt, to meet the ratepayers in meeting assembled on March 3, at 8 p.m. Mr. Minnis of Earlscourt Ratepayers' Association asked for lights for the district, to be taken by those who need work. He wanted Council to Help.

J. W. Moyes asked the council to assist in the battle against the Toronto Mutual Trust Company. The assessment of the east side of Yonge-street is a loss to the township, as buildings lots on the east side are selling for no more than \$5 a foot, whereas \$50 a foot is being realized on the west side of Yonge-street, which is regarded as not nearly as picturesque as the east side.

Solicitor Kyles explained that action had been already taken, and the matter is no longer in the hands of the legislature, and it is purely a matter for the litigation now to interpret the statutes and to see if the trust can be set aside. Reeve Anns and Councillor Law of Scarborough Township formed a deputation to discuss the opening up of the old town line between Scarborough and York Townships. Mr. McNamara will be necessary undertaking to have the work done.

EX-REEVE SUBMITS CLAIM. Ex-reeve Ryne, Messrs. Raybould and Vaughan of the newly organized school section, No. 29, around Toronto Junction, appeared before the council to try to get an adjustment with S.S. No. 14, Devoncourt, and Earlscourt, from which this section seceded. Mr. Ryne was spokesman, and explained that the matter could be settled without the cost of arbitration, and claimed that a goodly sum should be paid to the new school section from S.S. No. 14. A joint meeting will be arranged for the adjustment of this matter.

Incidentally, Messrs. Raybould and Vaughan talked road improvements and lights on Jane and other streets, and the matter was referred to the committee asked for should be attended to as early as possible. A deputation representing the unemployed of Beld and Ashdale-avenues, and other streets, were also present to give their names to the road commissioner.

Mr. Leaman, who claims \$100 damages by the last storm on Pape-avenue, appeared again with the expectation of getting his cheque for the above amount. Town Solicitor Kyles gave it as his opinion that the township is not liable. Mr. Leaman promised a test case.

The council closed its business by passing the general money bylaw, amounting to \$2055.24.

SCARBORO OLD BOYS. Now it's Scarboro Pioneers Who Will Foregather.

The annual banquet of the Scarboro Old Boys' Historical Association will be held at the Clyde Hotel on Friday evening, Feb. 12, at 8 o'clock. Tickets may be procured from the members of the executive committee. James Chester is president, T. C. Irving, vice-president, and J. C. Clarke, secretary, of the association.

THE ROBERT SIMPSON COMPANY LIMITED

H. H. Fudger, Pres; J. Wood, Manager Tuesday, March 3.

March Suits and Overcoats

WOULD you buy a new overcoat at this time of the winter? If it were cheap enough you would, wouldn't you? Here you are then. We want to clear the few overcoats which remain. Suits also.

50 only, Men's Winter Overcoats, fresh from our own workrooms. We made these up from some pieces of black meltons and kerseys which were left in our custom tailoring department after the season's trade; they are all choice materials, made up in the latest single-breasted Chesterfield style, lined with good Italian cloth; coats made of the same sold earlier in the season at \$18 and \$20. Sizes 36 to 42. On sale Wednesday at \$12.00.

Men's Suits, regular \$12, \$12.50, \$13.50, \$14 and \$15; the balance of lines of winter suits which we are through with, and odd sizes from our regular stock; among the lot are English and Scotch tweeds, in neat brown effects, with colored over stripe running through; also some fancy worsteds. Sizes 36 to 44. On sale Wednesday at \$8.95.

Men's Heavy Undershirts 29c

Worth as high as \$1.00 Odds from the winter stock. 50 pieces, Men's Winter Undershirts, only odds and ends, single and double-breast, scarlet wool, elastic ribbed, fleece and wool. Sizes 34 to 40; value up to \$1 a garment. Wednesday \$29.

100 pieces only, "Britanna" Fine Wool Underwear, pale blue and pink shades; also fine natural wool, Stanfield's heavy ribbed and fine ribbed, double-breast, all guaranteed unshrinkable. Sizes 34 to 44 in the lot, but come early for your size; per garment, Wednesday \$89.

A Pail of Advertising

is exactly what an Eddy Fibre Pail is. Every Pail that goes out to a Purchaser is sure, as it were, to say something good about

EDDY'S FIBREWARE

—and it's just the same with a Tub. Eddy's Fibreware is of a Better Quality, Lasts Longer and Costs Less Money than any other. Ask for it.

HELD FOR FORGERY.

G. N. W. Employee Accused of Cash-in-ing in for Othra.

Victor Barber, 41 years, 193 Grace-street, was arrested last night by Detectives Newton and Kennedy. He is held upon four charges of forgery by which he secured the sum of \$90 from the Great Northwestern Telegraph Company, by whom he is employed as an operator.

The money was secured upon orders purporting to be signed by C. E. McCaw, circuit manager of the company. The forgeries were for money due employees and were discovered at five o'clock yesterday afternoon when a man under the influence of liquor was sent to collect \$90 upon an order made out for F. H. Graham. The man was taken to police headquarters and questioned by Inspector of Detectives Dunlop. He said that Barber had given him the order.

A vigorous search was made for Barber, who was finally got at his home about 10 o'clock. The other orders upon which the money was paid out were presented as follows: Feb. 20—\$20 to J. Watson, Feb. 22—\$20 to W. Wilson, Feb. 27—\$40 for F. H. Clarke. Barber is at present on remand before Col. Denison on a charge of fraud upon which he is making weekly payments.

Navy in South African War.

At the Military Institute last night, under the auspices of the Navy League, Lieut. Bertram N. Denison delivered an interesting lecture on "The Navy in the South African War."

He described the work of the marines at Ladysmith and under Lord Roberts in the march to Pretoria. He also described the work of the naval brigades in blockades, the care of prisoners of war and in the transport of troops.

Col. Fotheringham presided and a vote of thanks was moved by Commander Law and seconded by Captain Wickham.

Escaped a Horrible Death.

ST. CATHARINES, March 2.—(Special.)—While attempting to operate the wash boards of the gates at the head of the spillway on the hydraulic race, David Leitch, an employe of the Kinross Paper Mills, slipped on an icy board and fell into the water, where his clothing caught on projecting rocks.

This saved his life, as otherwise Leitch would have met the descent of the spillway and his life would have been dashed out against the heavy timber at the bottom.

The Young Women's Christian Guild, McGill-street, will erect an addition to their building.
