Hammer Throw Probably Fatal. PHILADELPHIA, April 14 .- Wm. Renwick, popularly known as Scotty, the

wick, popularly known as scotty, the groundkeeper at the University of Penn-sylvania, was struck on the head by a sixteen-pound hammer at Franklin Field yesterday and probably fatally injured. Danlel F. Luby of Peabody, Mass, threw the hammer down the field toward Scotty, who either did not see the throw or lost sight of the weight in the sun. The heavy from struck him on the side of the head, knocking him several feet. He was pick-ed up unconscious and removed to the hospital, where it was found he was suf-fering from a severe fracture. Renwick was operated on last night, and it is stated that his condition is critical. Carsions to the northwest leave On-tario Tuesday, April 28, and every second Tuesday, following until the end of September. Sixty-day return tickets are issued for these excursions at spe-cial low rates, ranging from \$22.00 Winnipeg return to \$42.50 Edmonton important northwest points. The C.P.R. has issued a homeseekers' pamphlet, giving rates, dates and full information. Free copies may be ob-tained of any agent of the company, or direct from C. B.
