We Started Out With 10,000 Yesterday

THE ROBERT SIMPSON COMPANY.

JUNE 16 1904

W E intend to sell the full 10,000 inside a month that is four weeks of six selling days, 24 da altogether. And we rely upon the merit of the shi themselves to do it. Talking in the papers won't a complish the result. We are building on the wa news spreads from one man to another by word mouth. For they are corking good shirts at one dollar and no mistake ! Yesterday we expected to be the selling by checking off at least 100 sales be nightfall. As a matter of fact we sold. Four Time that many. To-day we planned to sell 200. "The wa things went vesterday we'll sell a thousand. course the first day when it starts with a boom like that is hard to beat until the good work of the shirts themselves gets simmering. But we'll go right along doubling up each day-once we strike our gait-se if we don't.

You understand we contracted for 10,000 shirts in order to be able to sell them at the popular price of \$1. So they are not ordinary \$1 shirts by any means. Just you see them.

All the new patterns, wide stripes, etc., pleated or plain, cuffs at-tached or detached; sizes 14 to 17.
