**NEWMARKET.**  
On His Way to See Canal Old Man Suddenly Expires.

NEWMARKET, May 10.—Andy Shea of Toronto dropped dead while walking north on Newmarket Main-street about 11 o'clock to-day. She was on his way out to see the workings of the canal. He was about 72 years of age, and Coroner Scott, who was called to see him, pronounced death due to heart failure and considered an inquest unnecessary. The remains will be sent to his home in Toronto. Deceased lived at 169 Lippincott-street and was a member of the firm of She Bros.

**Veterans' Memorial Service.**  
At the regular meeting of His Majesty's Army and Navy Veterans, held on Tuesday evening, a very fitting memorial service was held in memory of his late majesty, Rev. E. Gore Barrow said prayers for the royal family and the favorite hymn of the King, "Nearer My God to Thee," was sung by the members of the association.

It was decided to hold the annual picnic to Niagara Falls on July 23.

### N. TORONTO ASSESSMENT CAUSES BIG PROTEST

Will Be Many Appeals—Sudden  
Death in Newmarket—General  
County Matters.

**NORTH TORONTO, May 10.**—(Special.)—The World on Monday received from a prominent business man in North Toronto the accompanying letter which is so full of good common sense and hard facts that it is reproduced in full.

Can North Toronto afford to purchase another picnic ground when so much money is now required for many public improvements such as: A good permanent roadway on Yonge-street; the installation of an electric wiring system for house and street lighting; \$17,000 for a school and grounds at Bedford Park; a similar amount for a school and grounds in what is known as the Spon Kop district; the right of way thru the cemetery property in connection with the parallel road system; decent and adequate accommodation for continuation class, or high school as some term it; the much needed sewerage system and increased water supply?

With so much before us, it seems quite plain that the town cannot afford to invest its money in luxuries, such as another picnic ground. The citizens of North Toronto are having a bylaw submitted to them to grant land (Mr. J. S. Stibbard's cow pasture) at the rate of \$2000 per acre. A local paper, (The North Toronto Progress), in effect says it has been used for years as a picnic ground, and is the only pic-

nic ground in the town to-day. What are the facts? The town last year bought 14½ acres adjoining this proposed Stibbard property, beautifully wooded and watered, and in every way adapted for picnic purposes, and for which they only paid \$5000, or at the rate of \$345 per acre. This property connects with the other 14 acres which the town already owns, making a block of nearly 29 acres, quite adequate for picnic purposes. Again, on the west side of Yonge-street, the purchasers of the Sparrow farm have dedicated 3 acres of the most beautiful ravine ground for park purposes. Adjoining these three acres is another six or seven acres at the end of Glen Grove and Glenclair-avenues, also dedicated for park purposes. It is quite evident that necessity does not stand behind the proposition of voting money for the purchase of another picnic ground.

The more the glaring inequalities in the town's assessments are considered, the more emphatic becomes the general protest against the handiwork of Assessment Commissioner Cleland. That the commission was in a measure only carrying out the orders of his superior officers, the town council, does not serve to diminish the dissatisfaction generally prevailing. If the court of revision is ever to overturn the plethora of work already in sight, the members will require to work overtime. An increase of nearly \$1,500,000 in one year on a \$2,000,000 assessment for 1909, is even more than the northern suburb with all its apparent progress and prosperity can conveniently withstand.

That good, evenhanded judgment has been shown is not even claimed. The fact that some large blocks of land, remote from Yonge-street on Kensington and Castlefield-avenues, running up to seven and eight acres, and uncultivated, should be assessed at as high as \$6 a foot, while garden and industrial land on the same thoroughfare, at about half the distance from Yonge-street should be rated in some cases as low as \$1 a foot is unbelievable. The cases pointed out are not isolated.

ed, and ratepayers may verify the statement by a reference to the assessment department. In the northern end of the town, in the central and Davisville districts as well, there is widespread opposition to the drastic and apparently unwarrantable advances.

The court of revision, with Councilor D. D. Reid in the chair, met to-night to ratify the six petitions relative to the water main piping to be laid in that part of the town known as the Lawrence estate, and comprising Lawrence-avenue, Dawlish-avenue, Devon-crescent, St. Edmund's-drive, St. Leonard's-avenue and Exeter-crescent. The total length will reach approximately 642 ft. assessment on which will be levied as follows:

No. 1 ..... 815 ft. .... \$ 319.00  
No. 2 ..... 1650 ft. .... 1220.00  
No. 3 ..... 735 ft. .... 805.00  
No. 4 ..... 1205 ft. .... 1216.00  
No. 5 ..... 1857 ft. .... 1680.00  
No. 6 ..... 357 ft. .... 285.00

All six petitions were voted upon and carried, but No. 5, entailing an unusual amount of flankage, and necessarily extra expense to the municipality, was at first opposed by Councilors Howe and Lawrence, but was finally carried.

This meeting was followed by an informal discussion of the proposed memorial service. The following resolution was adopted:  
Honorable Charles Murphy, K.C., Secretary of State,  
Ottawa, Ont.

Dear Sir:  
The citizens of the Town of North Toronto desire to convey to his majesty, King George V., and the other members of the royal family, their heartfelt sympathy in the loss which has befallen the Empire in the death of a great and good King, and beg to assure them that his memory will long be cherished in the hearts of a loyal and devoted people.

Alonso J. Brown, Mayor.

**WEST TORONTO.**

**WEST TORONTO, May 10.**—(Special.)—General regret is expressed on all hands at the serious illness of W. P. Hartney, one of West Toronto's oldest and most respected residents. On all the public buildings here and

in Weston to-day, the flags on the schools, government and many private business houses were at half-mast.

At the meeting of the auxiliary of the W. P. M. S. to be held to-morrow afternoon, in Victoria Presbyterian Church, Miss Campbell, at present home on Furlough from India, will be the principal speaker.

**WESTON.**  
Items of Interest Picked Up Around the Town.

**WESTON, May 10.**—(Special.)—The funeral of the late Mrs. Robt. Shannon took place here to-day from the family residence, interment taking place in Riverside Cemetery, Rev. Mr. McGillivray officiating at the home and graveside. There was a large attendance of relatives and friends. The funeral arrangements were in charge of Undertaker Gardhouse.

There was a well-attended meeting of the Weston Women's Institute in the town hall here this afternoon and great interest was manifested. Election of officers and other business was carried out.

Weston is making a solid and substantial growth and the coming summer bids fair to be a lively one in the building trade. The installation of a modern waterworks system will do more for Weston than any single improvement that the village council could have undertaken. The cost is most moderate, and in the selection of an engineer, the awarding of the contract and, in short, everything connected with the project council has shown great executive ability.

Miss Mollie Ambler's pupils will give an entertainment in aid of the Hospital for Consumptives in the town hall here on Tuesday evening, May 11.

**SCARBORO FARM SOLD.**

Robert Tabor, a short distance north of Highland Creek, has sold his farm, lot 2 in the 3rd concession, containing 308 acres, for \$4000. While the soil is fairly good, the farm is rough and rolling and not well adapted for agriculture. The buildings, likewise, are not regarded as modern or commodious. Few Scarboro farms can be bought for anything like this money.

The Toronto & York Radial Railway are pushing the work of putting down a switch on the new park on the Kingston-road, bought about a month or six weeks ago from the Stobo estate. A road has been cut thru to the lake, and the ties are laid down pending the laying of the rails and ballasting, which will be rushed to completion. Altho incomplete it is expected the park will be open for summer traffic.

**PICKERING.**

The annual convention of the Women's Missionary Society of the Whiteby district will be held in the Methodist Church here on Friday, May 12, beginning at 2 p.m. An interesting program has been prepared.

Next Sunday at 3 o'clock the members of the Ontario Lodge I.O.F. will march to St. Andrew's Church, where Rev. Mr. Moore will give an address.

**SCARBORO MEN MEET TO-DAY.**

The public meeting called by Reeve Annis at Agincourt to-day bids fair to be a big one. Ralph Horsey of Agincourt was in the city yesterday, and to The World was being manifested in the matter. The meeting is a public one, called to discuss important questions, and everybody interested is in-

ited to attend. The chair will be taken at 2:30 p.m. sharp.

The summer term at the MacGregor Studios in voice culture and advanced and primal grades in singing commences Saturday, May 14. Those desiring to have free voice test with a view to study should drop a card early to Bank of Hamilton Chambers, College and Ossington, where the MacGregor Studios are most conveniently situated. Residence telephone, Parkdale 1087.

**Had Given Up All Hope of Living.**

**Heart Trouble Cured by Milburn's Heart and Nerve Pills.**

Mrs. Andrew Savoy, Grattan's, N.B., writes:—"In the year 1905, I was taken sick and did not think I could live any length of time. My trouble was with my heart and people told me that nothing could be done for a case like mine. I consulted the very best doctors, but they could do me no good. For seven weeks I could hardly cross the floor. I had no pain, but was so weak nobody in the world can believe how I felt. I had given up all hopes of living and had given my little girl to my sister-in-law."

"One day a friend came to see me, and calling by my name, said, 'Lizzie, if I were you I would try a dose of Milburn's Heart and Nerve Pills as they are good for heart trouble.' My husband got me a box, but for two days I was not feeling any better, but on the fourth day my husband said, 'I believe those pills are doing you good.' I was able to say, 'Yes, I feel a good deal better this morning.' He said, 'Well, I will get you another box right away.' I took two boxes and three doses out of the third one, and I was perfectly well and have not been sick since then."

"I will never be without them in my home for God knows if it had not been for Milburn's Heart and Nerve Pills, I would not have been alive now."

Price, 50 cents per box, 3 boxes for \$1.25, at all dealers or mailed direct on receipt of price by The T. Milburn Co., Limited, Toronto, Ont.
