THE AND STORY IN THE AN

WRIGHT'S INDIAN FEGETABLE PILLS

A NATURAL RÉMEDY
Swited to our Constitutions, and competent to the
cure of every curable disease, will be found in

WRIGHT'S LYDLIN FEGETABLE PHALS
OF THE
NORTH AMERICAN COLLEGE OF
HEALTH.

THESE extraordinary Pills are composed of
plants which grow spontaneously on our own
soil; and are therefore better adapted to our constitutions, than medicines concocted from toreign drugs,
however well they may be compounded; and as the
INDIAN VEGETABLE PLILS are founded upon the
principle that the human body is in truth.
SUBJECT TO BUT ONE DISEASE,
viz. corrupt humors, and that the said medicine
cures this disease on
NATURAL PRINCIPLES.
by cleansing and purifying the body; it will be manitest, that if the constitution be not entirely exhausted—a perseverance in their use, according to directions, is alsolutely certain to drive disease of every
name from the body.
When we wish to restore a swamp or morass to
fertility, we drain it of the superabundant waters;
in like manner, if we wish to restore the body to
health, we must cleanse it of impurity.
The Indian Vecetable Pills will be found one of
the best, if post the very best, medicines in the
world for chying out the
GRAND PURIFYING PRINCIPLE,
disease of every name is radidly driven from the
body.

The AUTION.

This is to inform the public that all genuine medicine has no the boxes WRIGHT'S INDIAN VEGETABLE PILLS (Indian Purgative.)

OF THE NORTH AMERICAN COLLEGE OF HEALTH And also round the border of the label, will be found in small type, "Entered according to Act of Congress in the year 1840, by WM. WIGHT, in the Clerk's office, of the District Court, of the Eastern district of Fennsylvania."

It will further be observed that the printed directions for using the medicines, which accompany each box are also entered according to Act of Congress and the same form will be found at the bottom of the first page.
