# INTERMEDIATE TITLE GAME SATURDAY LIKELY TO BE CLOSE

## Vast Crowd To Attend Yale-Harvard Football Classic Tomorrow

**NATIONALS AND CANUCKS ARE WELL MATCHED**

**Saint John Boy In Running For U. N. B. Captaincy**

A BITTERLY-FOUGHT contest for the 1925 intermediate title is expected on the Allison grounds tomorrow afternoon when the Nationals and Canucks, now tied for the league leadership, settle the issue. Every indication points to a low score with the breakers of the battle as it is seldom two more evenly-matched teams have been thrown together here in years. Starting the season against the Canucks, last year's champions, with a lot of new men, drawn largely from the ranks of the old Orioles, the Nationals surprised the Canucks to a scoreless draw in the opening game of the season. This greatly heartened the Nationals and they have kept on the trail of the Canucks ever since. In one game, they were leading by a try when the Canucks tied the score, Nationals protested so strenuously and the referee awarded the game to the Canucks. This was taken to the league executive, which upheld the decision of the referee. By winning last Saturday with convincing ease from the Wanderers, 9 to 0, Nationals drew up abreast the Canucks and tomorrow's battle will settle the championship. In last Saturday's game, Monteth, John Armstrong and Witheren scored tries and it is these boys who are looked on to give the Canucks plenty of trouble. Monteth is a former hockey star while Witheren has played for High School.

Canucks are hoping to have Frank Campbell, first back with the Trojans last year, in their line-up on Saturday. Campbell has been out of the game for several weeks owing to an injured ankle and the death of his father. Other boys on whom they are depending to bring the title to Fairville again include Fred Fritz, former captain of the local team, and Mulachy, Peters and Millett, other High School stars. The scrums of both teams are heavy and well and the halves are fast. It should be a rattling good game and a big crowd is expected.

The winner of Saturday's game will challenge for the intermediate championship of the province.

**DONOHUE CAPTAIN**

The Fredericton Glenier has the following of interest to Saint John rugby fans:

"Who will be captain of the U. N. B. football team in 1926? Who will lead the Red and Black when they defend the MacTier Cup for the English rugby championship of Eastern Canada next fall? That is the question which is now being asked, the U. N. B. team having definitely hung up their football togs for this season and decided to devote their time to the study of the "Invitations" to play for the McCurdy Cup. The two names which stand out most prominently are those of Bill Donohue, who has gained the reputation of being the fastest forward in the Maritime Intercollegiate League of 1925, and Nairn McCaffrey, one of the speediest three-quarter wings ever seen on Eastern Canada grounds. One of that pair will probably be the choice, unless a "dark horse" steps in, and either one all agree, would make an inspiring leader for the Red and Black.

**DR. D. C. MALCOLM HEAD OF THISTLES**

**J. S. Malcolm Elected Delegate For Scottish Trip at Annual**

The annual meeting of the Thistle Curling Club was held last night in the Union Club, following a banquet. There was a large attendance of members, business of importance transacted, reports received and the officers elected for the ensuing year, with Dr. D. C. Malcolm being elected president, E. M. Olive retiring.

One important feature of the meeting was the selection of John S. Malcolm, one of the best curlers in the club, to represent the Thistles on the Canadian team that will leave this city on January 1 to tour Scotland. Secretary Walter Gamblin reported that during the past season the club had curled nine foreign games and had won six of them. The treasurer reported that the club was in a good financial condition.

The following new members were elected: A. J. Gray, Colin P. Burns, R. E. Geldert, R. D. Fudger, A. P. Tull and Gilbert McKulkin.

The following officers were elected: President, Dr. D. C. Malcolm; vice-president, R. M. Fowler; secretary, W. H. Gamblin; treasurer, R. C. Gilmore; chaplain, Rev. Hugh Miller; managing committee, E. M. Olive, W. A. Shaw, J. W. Cameron, G. S. Bishop, match committee, R. S. Ritchie, R. E. Crawford, W. J. S. Miles, H. G. Barnes, W. H. Gamblin.

### Along The Sport Trail

By JOHN A. DUNLOP.

MR. CHARLES I. GORMAN, known hereabouts and elsewhere as a promising young skater, is getting set to give Mr. Gus Thunburg, another promising young skater from Helsingfors, Finland, a warm welcome on his arrival here. Neither of these youths can speak a common language outside of the slip and cut of the steel blades and it will be necessary in the offing when Mr. Gorman extends his friendly right arm and says "Pleased to meetcha." To which Mr. Thunburg will reply — well this typewriter was not built in Finland. No one is deeply interested in this side of the meeting but when they come to talk to each other over the 440 yard range on a frozen surface, we venture to predict the spectators will be packed about tighter than a Saturday night souse and that the standing space left over will be about big enough to park a few molecules. In the welcome to be accorded Mr. Thunburg, several other promising young gentlemen will take part including Charlie Jewtraw, who, they say, is fabulously rich and only takes up skating from sheer boredom; Richard Donovan, otherwise known as the "Duke of Donovan"; Joe Moore, King of Iceland (not the country, boys); Valentine Bialis, who has more trumps up his sleeve than valentines; and a host of others. We strongly suspect the main reason for the warm welcome is the chance offered to knock Mr. Thunburg's coveted crown a bit sideways. In fact, Mr. Gorman makes no secret of the fact that he is out for revenge and that he has not forgotten what happened at Chamonix. Mr. Gorman is a determined young fellow, who, when he makes up his mind, is about as easy to stop as a British tank-o-warsman. When Mr. Gorman looked over the side of the big boat that carried him back to this city from Chamonix, he failed to see the Mayor and brass band. To be brutally exact, there were two people to meet him. He boarded the train for two big meets soon after. The rest you know. When he came back that time, the Mayor and brass band were waiting.

**SAINT JOHN** will never thrive in hockey circles until a first-class junior and intermediate league forms the foundation. Are the various playgrounds in the city willing to co-operate in forming one? Who will take the lead?

IF THERE IS such a thing as an "international complex," Mr. Tex Rickard is the best example of it that we know in the sporting world. Psycho-analysts—whenever they are told us suffer from complexes, the most popular one being the "inferiority complex." If we may be pardoned from adding another, it is the "international." Was there ever a sport promoter who had such a flare for international competition as Mr. Rickard? His most noted affair was the Dempsey-Carpenter fracas. He's the chap that found Luis Firpo, La Victoria and others. He's the guy that gets those Dutch and Australian bike riders to whirl around his Garden track until the spectators think they have St. Vitus dance. He'll be after Mr. Thunburg next if we don't sneak him into the country here. But his latest example comes when he picks the logical contenders for Jack Dempsey's crown. With becoming modesty, he does not stop at the heavyweight division but keeps right on down to the atom weights. We, however, are only concerned with the heavyweights. He starts out right with Harry Wills and Gene Tunney. Then he hesitates a bit, slowly picks up his pen, nibbles the end, lays it down, reaches for a Spanish dictionary and laboriously spells out "Paolino Uscudini." If you can beat that one, boys, the crossword word is yours. When we read the despatch, we thought there might be some mistake and that we had some copy about a grand opera star. But there was Paolino in clear type, making No. 3. After reading that Jack Renault, George Godfrey, Barley Madden, Tom Gibbons, and some others were called for the M. D. Who is Paolino, you ask? He is Mr. Uscudini's son and he was born in Spain. Maybe, he flattened a few on the other side but that is not the reason. Mr. Rickard has a bad attack of "international complex." It has nothing on the complexity he has caused, however.

**HAROLD "RED" GRANGE**, famed football star, says he is a worried man these days with offers of jobs. The best a Florida realtor could do was offer him \$120,000 per year as agent. The only part that would worry some of us is that that Florida guy might cash in.

AFTER FIFTEEN YEARS in the cool shades of opposition, as the politicians would say, Ottawa Senators have won a rugby title that brings them into national prominence. By a close victory over Hamilton for the Dominion championship. It will not be necessary for Ottawa in its drive for the national title to face any better opponent than Queens University and if the legislators can topple this bunch, Winnipeg, winners in the west, should prove easy pickings. Tomorrow, Balm Beach, winners of the Senior O. R. F. U. play Queen's at Toronto and on the following Saturday, the winner of this game goes to Ottawa for the eastern final. The final for the Dominion title has been set for December 5. Queens are favorites to repeat but Ottawa has shown great form and will give the Kingston outfit enough football to make Queens wonder why they ever played rugby.

**Badminton Stars Are Sailing Today**

LONDON, Nov. 19.—Sir George A. Thomas will captain the British badminton team which will sail for Canada tomorrow on the C. P. S. Montrose bound to Saint John. Besides Sir George the team will consist of Thomas, J. Devlin, E. Hawthorn, A. Jones, H. Martin and W. Swindon.

**Riflemen Meet**

The council of the New Brunswick Rifle Association held the semi-annual meeting in the Armory last night. After routine business had been transacted, Lieut. I. F. Archibald was chosen secretary-treasurer and the following executive committee was elected: Lieut.-Col. G. S. Kinnear, Lieut.-Col. H. C. Sparling, Lieut.-Col. J. S. Frost, Lieut. M. J. Scott, Sergt. G. L. Landry, Lieut. R. F. Archibald and Sergt. A. S. Emery.

NEW YORK, Nov. 19.—Billy Britton, light heavyweight of Kansas, today was matched here to fight young Stribling, of Georgia, at New Orleans on Nov. 27. They will box 15 rounds.

**NATIONALS A. C. SATURDAY**

**Schedule For Intermediate League Calls For 55 Games**

FIFTY-FIVE games are scheduled for the City Basketball League of the intermediate class, according to the schedule released today. The league will end on February 24. Tomorrow night the Trojans Seniors swing into action against the Nationals A. C., who will be centre for the Nationals. C. I. seniors on Wednesday night.

The Trojans' line-up this year has only one change, that being at the forward position. Gordon Wilson, one of the keenest sharpshooters in the business hereabouts, will be back at his old position, and alternating opposite him will be "Cycle" Lee and Plumptre, an intermediate last year, who shows great promise. Plumptre is tall and rangy and a good shot. Lee, who has given great promise, has never quite struck his stride, although close observers agree he has the making of a brilliant forward. The one and only "Beet" Malcolm will be at centre, with Kerr, Hollies and MacGowan on defence.

Opposing Wilson, Lee and Plumptre will be Witheren, Urquhart and Boyce. Urquhart is a Trojans veteran, while the other two are good men, Witheren scoring 30 points against the Y. M. C. I. on Wednesday. Yeomans will be centre for the Nationals, with Kirke and Pollard defending. The Nationals, if any, will give the Trojans a fight for the title, although beating such a powerful combination as the Maritime champions possess is a seemingly impossible feat at present. However, a big crowd is expected Saturday night when they take the floor.

The intermediate schedule is as follows: Games to be played on Y. M. C. A. floor on Wednesday evenings, and on Y. M. C. I. floor on Saturday evenings. Nov. 19—St. Peter's vs. Victoria (Tartars). Y. **Also and give promise of a good game.** Curt Johnston will handle the whistle. The evening, beginning at 7:30, the Zion team will play Ludlow. These teams are quite evenly matched and it would be a toss up as to who wins. Last week Zion gave the St. John the Baptist a very hard battle before going down to defeat at their hands, having had to play 10 minutes over time before being defeated. This game will be handled by John Andrews.

At 8 p. m. St. Andrews team will play St. David's and Douglas MacAndrews will handle the whistle. No charge is made for witnessing these games. The public are cordially invited to attend and cheer for their respective teams. The boys are playing a good brand of basketball and need encouraging and ask for the co-operation of the public in this regard.

**JUNIOR GAMES.** This week-end games in the Junior Basketball League have promise of being even better than last week. Tonight in the Y. M. C. I. the Central team vs. M. B. A. Ltd. team at 7:30 sharp. M. B. A. team lost out to the Nationals last week and have been doing considerable practicing in order to give a better game to the Centralites, and if possible to defeat them. Frank McLean will handle the whistle for this game.

On Saturday all games in the league will be played on the Y. M. C. A. floor commencing at 2:30 p. m. with St. David's vs. East End Boys. This game to be handled by William Sargent.

At 8 p. m. the Y. M. C. I. team plays the St. John the Baptist. Each have won one game so far. A battle royal is expected. Donald Patterson will handle the whistle.

At 8:30 p. m. the Nationals (a newly formed club in the North End) will play the Trinity church team. These two teams have each won one game

### Wanderers Hope Yet to Meet U.N.B.

HALIFAX, N. S., Nov. 19.—Wanderers, winners of the Halifax City Rugby League, have not given up hope of meeting University of New Brunswick, intercollegiate champions and holders of the MacTier trophy, for the McCurdy trophy, emblematic of the open English rugby championship of the Maritimes. In communication with Captain Paul Fraser, of the U. N. B. squad, the local club informed the former that the Wanderers, as champions of the local league, wish to meet U. N. B. for the Maritimes title and do not want to take the McCurdy trophy by default. Fraser said there would be no trouble of staging a game in Fredericton, but that the Senate at the college was against any more trips this season. Fraser, however, promised the locals to do what he could on the matter and it is hoped the two teams may meet at Sackville next Saturday.

### BOTH TEAMS ON FIGHTING EDGE FOR BIG GAME

**Yale Rules Slight Favorite Owing to Season Record**

BOSTON, Mass., Nov. 20.—Traditionally the football classic of the year, the Yale-Harvard game here tomorrow afternoon will attract an enormous crowd. Yale's defeat by Princeton and Harvard's unexpected win over Brown last Saturday has roused both teams to the highest pitch and a hard-fought contest is expected. As before the Princeton game, Yale rules a slight favorite.

Efforts of the Yale coaches to change the mental attitude of the varsity before it faces the onrushing Harvard eleven in the Cambridge Stadium on Saturday have been successful, according to a statement issued tonight, which reads as follows: "That the members of the squad who took part in the game against Princeton last Saturday realize that they did not come up to their possibilities in that contest has been apparent throughout the three-day work so far this week. There is no longer the slightest feeling of over-confidence among the members of the team and during the week they have gone through signals with snap and vigor."

Improvement in the daily signal rehearsal delighted the coaches when it was translated into tremendous scoring power against the scrubs, in the only practice scrimmage which will be ordered during the week of the controversy with Harvard, the final practice lineup of the season. Three times the regulars ground a dogged passage over the calk lines for more than half the length of the field.

### Mason Won

LONDON, Nov. 19.—Harry Mason, lightweight champion of Europe, tonight defeated Johnny Brown, Scotch fighter, on points at Albert Hall. The fight went 15 rounds.

### Irish Beat Oxford

LONDON, Nov. 19.—(Canadian Press Cable)—Dublin University, on tour here, defeated Oxford University today by 23 points to 3 in a Rugby Union game.
