#### Chance May Manage Cubs.

#### St. Peter's Win and Lose.

St. Peter's ball team broke even in Monday's game, winning the afternoon game 10 to 6 and losing the evening game 6 to 0. A strong wind swept over the diamond making what would ordinarily have been easy outs clean hits.

#### A Number of Fans from this City Were Present at the Games and Vied with Moncton Fans for Coaching Honors.

Humphrey, who was playing second for Moncton, tripped while crossing home plate and had his leg broken. The batteries in the afternoon game were: Hansen and Dever for St. Peter's; Fryers, Glick and Addy for Moncton. In the evening game Lawlor and Addy for Moncton.

#### Commercial Defeat Marysville.

The Commercial won both games from Marysville on the east end diamond Saturday. The afternoon score ended 12 to 1, and the evening 7 to 5. The visitors were hopelessly outclassed in the afternoon, but played a much better game at night having thirteen hits to the locals six.

#### In the afternoon Kirkpatrick and Cox formed the battery for the locals, and Miller, Anderson and Lownsbury for the visitors. In the evening Henderson, Hearty and Cox performed for the Commercial, and McLean and Lownsbury for Marysville.

Montreal, Aug. 8.—A lottery scheme which is estimated by the police to have netted the promoters over \$100,000 since last May, came into the limelight on Saturday, when Judge Cusson fined three men, who pleaded guilty before him. They were Arthur Picher, Sid Werner, and Emil Pepin of Maisonneuve.

The scheme, according to the police was to print a large number of cards giving a list of twenty-four baseball teams, the two major leagues and the International, which were to play off during a given week. If the right team was picked there was a "prize" and it was said that some people have actually won as much as \$10,000. Some indication of the extent of the lotteries may be judged from the fact that the police found 17,000 tickets at the establishment on Bligny street.

The men were let off with light fines.
