MAY HAVE TO COME TO ABUTTORS' TAX

Union Street and Lansdowne
Avenue Paving Matters
Before Council — Douglas
Avenue Ready.

Judging by the way the taxes are coming in and the numerous objections to increases in the assessment, Commissioner Frink said this morning that it looked as though the city would soon be compelled to come back to the local improvement act and assess abuttors for pavement in public streets.

This opinion was expressed during a discussion on the petition of the Union street property owners for a remission from further taxation for pavement laid there.

The council met in committee with the mayor presiding and all the commissioners present except Mr. Thornton.

Commissioner Frink said that the residents of Lansdowne avenue had agreed to the new grade for that street and had sent a letter agreeing to relieve the city of responsibility in the establishment of the new grade. On motion the communication was placed on file.

Regarding the petition from residents of Union street for abatement of taxes for the pavement in that street under the local improvement act, the common clerk produced a motion presented in a previous case of this kind in which the council decided that the abuttors be informed that the council had been advised by its solicitor that the city had no power to relieve them from the payment of the assessment.

Commissioner Frink said that he had received a petition from owners on Lansdowne avenue to have pavement done there, and should the Union street owners be relieved there was no reason why the Lansdowne avenue residents should not come back and ask relief from the tax which they had signified their willingness to pay. The matter was left to the commission of public works to take up with the city solicitor.

A letter from Vassie & Co. recommending the reopening of the dominion provincial employment bureau was referred to the mayor.

Regarding Douglas avenue, Commissioner Frink reported that he had taken up the matter of gas main and telephone conduit renewals. The N. B. Power Co. had informed him that the gas main's there were laid twenty-six years ago and were in good condition. The N. B. Telephone Company had advised him that it would not be necessary to lay conduits in Douglas avenue.

Commissioner Jones said that outside the service piped to vacant lots, Douglas avenue was now ready for pavement.

BALANCE NOW ON THE RIGHT SIDE

Although at the end of July the city's overdraft at the Bank of Nova Scotia was more than \$676,000, the influx of this year's assessment has changed the total over to a credit balance of more than \$500,000, so Mayor Schofield announced this morning.

POLICE COURT

Charles Anderson was in the police court this morning charged with being drunk, having liquor in his possession illegally and with allowing people to become intoxicated in his residence. He pleaded guilty to drunkenness charge, not guilty to having liquor and no plea was entered on the last charge. Sergeant Melrose said that in consequence of a telephone message last evening about five o'clock he went to the residence of the accused in the rear of 181 Erin street and he found him and another man there drunk. He said he also found a bottle of gin in the pantry, about 200 empty lemon extract bottles, three empty gin bottles and seven empty whiskey bottles. Policemen Linton and Duffy corroborated the evidence. The case was postponed and the accused remanded.

Harold Williams was charged with assaulting a woman in St. Patrick street. He pleaded not guilty and Mrs. Minnie Cameron, the complainant, said she was walking along the street on Saturday afternoon when the accused struck her in the face causing a cut on her lip and tearing her dress and damaging it to the extent of \$25. The accused was remanded for other witnesses.

A case against Mrs. Rosy Wing, charged with assaulting George Rusanoff, and a case against Rusanoff, charged with assaulting Mrs. Wing, were dismissed.

Three men charged with drunkenness pleaded guilty and were remanded.

ACTRESS AND POET.

Margaret Anglin recently surprised a large theatre audience by interpolating into her role the entire poem, "My Boy's Room," from Adelaide Manola Hughes' book of verse, "Diantha Goes the Primrose Way." Miss Anglin is so impressed, she says, with the dramatic quality of Mrs. Hughes' poems that she is planning to give a reading of the whole of "Diantha Goes the Primrose Way." Miss Anglin has also asked Mrs. Hughes to turn some of her feeling for the dramatic into a Margaret Anglin play.

Howe-I-Lyns.

At St. Peter's church, Springhill, York county, on Tuesday, Rev. W. J. Wilkinson united in marriage Miss Amy Dorothy Payne, daughter of Henry Payne, and Percy Albert Howe, of North Devon.
