It is So Good!

Aside from the big fact of its
economy—H.A. Brand Oleo-
margarine is so wholesome,
pure and sweet that it is
tempting more housewives
every day to serve it on
their tables.

Have you tried it?

Its fine flavor, its undoubted
economy and the fact that
it is made under Canadian
Government inspection are
sufficient reasons for trying
a one pound purchase.

Ask for H.A. Brand Oleo-
margarine to-day at your
grocer's or butcher's.

supplied with wool.

Your Opportunity

A miller is wanted in your town to take
care of the grain from the thousands
of new acres now under wheat. More
flour is needed.

Make this opportunity—your one big
chance to establish a patriotic and pro-
fitable business in your town. The
man who owns and operates a

Marvel Flour Mill

will reap the milling profits from increased
wheat production in his vicinity.

The Marvel—the mill that makes that "nut
flavored" flour—conforms to all Government
regulations and gets the most out of the wheat.
It is simply constructed, easily and cheaply
operated and best serves the community's
interests.

Establish a Marvel Mill in your town—stimu-
late local production—stop waste, help elimi-
nate long shipments, make good war or peace
flour—and big profits.

If you have as little as \$3000 to invest, you
should get all the facts of this proposition
at once.
