AUDITORS' REPORT.

We certify that we have examined the accounts of the Treasurer of the Provincial Agricultural Association, and compared them with the vouchers and find them to be correct. We have also examined the Treasurer's Bank Book and find that there was in the Bank, to the credit of the Association, the sum of three thousand nine hundred and forty-seven dollars and fifty-seven cents, on the 31st day of December, 1876. The balance due from the Treasurer to the Association on the same day was three thousand six hundred and forty-two dollars and twenty-nine cents.

January 29, 1877.
