

SPECIAL COURSE.

At the last meeting of the General Assembly in Ottawa, it was agreed that three theological students for whom application had been made, should be placed under instruction in Manitoba College, for the purpose of studying for the Ministry. The following Curriculum was agreed on for their four years course.

I	II.	III.	IV.
Latin, Greek Paley's Evidences Reid's Essays Old Testament Church History Study of Gospels	Hebrew Greek Exegesis Butler's Analogy Whately's Logic Church History Centuries I-IV. Homiletics	Hebrew Exegesis Greek Exegesis Systematic Theology Biblical Criticism Church History Cent. VI-XVI.	Hebrew Exegesis Greek Exegesis Systematic Theology Pastoral Theology

PREPARATORY DEPARTMENT.

On account of the imperfect facilities for education in the Province, and especially in the North-Western Territories, the authorities of the college have found it necessary to organize an Elementary Course. It is the object of the College to foster the Public School system of the Province, and this department will not be allowed to interfere with the Public Schools of the City; but to meet the lack spoken of, this department will supply instruction in subjects required.
