MAY 8.—I have to record the death of Hon. D. Hanington, M. L. C., which occured last Sunday afternoon. Mr. Hanington was with one exception the oldest resident of Shediac. He leaves a large family, eleven in number. Two of his sons were unable to get home to his funeral, Dr. E. Hanington, M. D. and Mr. L. C. Hanington, they being in Victoria B. C.

Miss Mabel Smith and Man, John Henderson went to Moncton on Monday last, to visit their friends.

Mrs. R. C. Barnes, who has been actiously differ some time past, is slightly better. Her many friends hope she will soon be out again.

The many friends of Mr. Albert J. Smith, of this place, who left St. John as first mate some time ago, were glad to hear of his safe arrival at Barrows, on the other side of the ocean.

Mr. and Mrs. Robert Morrison have gone to nouse-keeping in one of those handsome residences on Ward's Creek, road. Our amateurs are going to give a performance of Pinafore next Thursday. Considering the talent of the performers, and the persevering way in which they have practised, I am sure it will be a success. Rev. Mr. Hatheway, of Jemseg, was in town on Tuesday.

There is one question to which Hunter, Hamilton & McKay is the only possible answer. The question is, What do the letters H-U-N-T-E-R-H-A-M-I-L-T-O-N and MC-K-A-Y spell? There are other questions to which the same answer is the only possible answer: these will, no doubt suggest themselves.
