IMPORTANT CHANGES MADE IN WEST SIDE DEPARTMENT

District Chief Wm. McLeod Retires After Long and Faithful Service and is Succeeded by J. Alfred Ring—George Fawcett and Isaac Amos Foremen of No. 6 and 7 Respectively.

Last evening all of the firemen in the West End division met at the call of Chief John Kerr in No. 6 Fire Station, King street and some surprises were sprung by the head of the department.

It was announced that District Chief Williams McLeod, of the division, tendered his resignation. Mr. McLeod is one of the oldest firemen in the city and has been attending fires on the West Side of the harbor for about 55 years.

In Mr. McLeod's place Chief Kerr appointed J. Alfred Ring, who has for years been the foreman of No. 6 Co. Like his predecessor Mr. Ring has been connected with the fire department for a great number of years and has been a fireman from the days of the volunteer department in the West End. In the future he will be in control of the western division under Chief Kerr.

SEND NEW BRUNSWICK APPLES TO ENGLAND Exhibit of 175 Boxes of Prize Fruit to be Shown at Royal Horticultural Show in December.

New Brunswick apples which did so well in competition with the best in the Empire at the Royal Horticultural show in London last year, will again be featured at that show this year.

Yesterday afternoon there was shipped to Montreal to go forward there by the steamer Victoria, 175 boxes of prize apples which will be exhibited by Mr. Bowder, as a sample of what the orchards of this fertile province can produce at the show to be held in Westminster on Dec. 1st, 2nd and 3rd.

Last year the apples from this province won the gold medal and three silver medals for their growers. The consignment sent forward this year is far superior to last year's lot and those who are interested in fruit culture in this province, expect that the province will more than duplicate the previous successes.

CARD OF THANKS. To the Editor of The Standard. Sir,—Now that I have been duly declared as Alderman for Brooks Ward, and as it will be impossible for me to see each one personally, I wish through your columns to thank the many citizens from whom I received encouragement and help in my brief canvass of the city. I feel that so easy a victory was due to the activity of my friends rather to my own interests. Trusting that my conduct at the board will be such as to recommend me to the favorable consideration of the electorate in the general contest next April. I remain, yours, etc., N. P. McLEOD.
