SHE SUFFERED TEN MONTHS

Mrs. Blankenship Tells of Her
Restoration to Health by
Lydia E. Pinkham's Veget-
able Compound.

Elliston, Va.—"I feel it my duty to express my thanks for what Lydia E. Pinkham's Vegetable Compound has done for me. I was a sufferer from female troubles and had been confined in bed over one third of my time for ten months. I could not do my household and had fainting spells so that my husband could not leave me alone for five minutes at a time.

"Now I have been restored to health and I can come from taking Lydia E. Pinkham's Vegetable Compound. Whenever I see a suffering woman I want to tell her what this medicine has done for me and I will always speak a good word for it."—Mrs. ROBERT BLANKENSHIP, Elliston, Va., Montgomery Co.

Wan Heipless—Now Well.

Trenton, Mo.—"About two years ago I had female trouble and inflammation so bad that I was literally helpless and had to be tended like a baby. I could not move my body or lift my foot for such severe pains that I had to scream. I was very nervous and had a weakness.

"Lydia E. Pinkham's Vegetable Compound has helped me to such an extent that I think there is no medicine like it for female troubles. I am up and able to do my work again and I give you full permission to publish my letter for the sake of other suffering women."—Mrs. W. T. PURNELL, 320-10th St., Trenton, Mo.

MARATHONS LOSE FINE GAME; HOULTON DEFEATED WOODSTOCK

FREDERICTON, 4; MARATHONS, 2.

There was a large attendance at the game of ball between the Marathons and the Frederiction teams on the Marathons grounds yesterday afternoon, and the team from the capital was victorious by a score of 4 to 2.

It was a fine exhibition of fast ball from start to finish with the exception of a few errors. Joe Tarbell was in the box for the Greeks and struck out eight men, while he was found safe for six hits, three of these being two base hits, one of them by Duggan and two by L. Connolly. Frederiction had a new pitcher, a large husky fellow named Brown, and he was on deck with a fine layout of curves and speed. He struck ten Greeks out, gave six bases on balls and was only found for two hits, one of these being a two bagger by Pinkerton. It was a pitcher's battle throughout and both Tarbell and Brown did excellent work for their teams. Umpire Reynolds was in charge and gave general satisfaction.

The following is an account of the game in detail:

FIRST INNING.
Frederiction went to bat first with Wildes up. He struck out as did Gansel and Duggan who followed.

Winter struck out. Fitzgerald muffed a fly from Gansel in right field and the batter went to second. Fryer struck out. Pinkerton smashed the ball to left field for two bases and scored Gansel. McGovern struck out.

SECOND INNING.
L. Connolly hit to Dolan who fumbled. Hoyt sacrificed. Bob Connolly struck out and Fitzgerald went out second to first.

Connolly went out, short to first, while Nelson and Gansel struck out.

THIRD INNING.
Murray and Brown struck out. Wildes fied out to Pinkerton at second.

Tarbell struck out. Winter drew a base on balls and was caught going to second on a ball hit to short stop by Gansel. Gansel stole second. Fryer drew a base on balls. Pinkerton fouled out to Connolly on third and retired the side.

FOURTH INNING.
Gansel fied out to Winter in centre. Duggan hit safe to centre and went to second on a bad throw of Tarbell to first. L. Connolly fied out.

Greatest Invention of Age For Hoarseness, Weak Throat.

Nothing So Far Discovered is as Beneficial to Public Speakers, Ministers, Singers and Teachers, as CATARRH.

Because of its strengthening influence upon the vocal cords, Catarrh cannot be too highly recommended as a wonderful voice improver. It almost instantly removes hoarseness or breathiness, thus insuring clearness and brilliancy of tone. Catarrh keeps the mucous surfaces in perfect condition, and its regular use absolutely prevents colds and throat irritation, thereby removing the singer's greatest source of anxiety—hoarseness of voice. The most eminent singers and prima donnas are zealous without Catarrh, and credit is in no small degree their uniform strength and brilliancy of tone to its influence.

Singer Recommends Catarrh.
"For many years I have been a sufferer from that terrible disease known as CATARRH."

"Being a professional singer, you can readily understand that Catarrh would be a serious hindrance to my professional skill."

"One year ago I read in the 'Praguer' a convincing testimonial from one who had been cured of this disease through using your God-sent Catarrh."

"Believing in the merit of Catarrh, I tried it."

"Catarrh cured me and has been a converting testimonial from one who has been cured of this disease through using your God-sent Catarrh."

"You are at liberty to use my name if it will help relieve some from suffering, and I will be glad to furnish complete outfit, consisting of a beautifully polished hard rubber inhaler, and sufficient liquid for recharging to last two months, costs one dollar, sold by all druggists, or sent safely to your address by mail if price is forwarded to the Catarrh Co., Buffalo, N. Y., or Kingston, Ont."

HOULTON, 7; WOODSTOCK, 4.
Woodstock, June 11.—Houlton continued its winning record and put it all over the locals this afternoon in Connell Park, by a score of 7 to 4.

The infield of the locals was all to the bad and only the mastery pitching of O'Brien, who arrived about noon, after travelling all night from Boston, kept the score below the double figures. The only favorable feature for the locals was the hitting of Porley, O'Brien and Belliveau.

O'Brien had five strikeouts and hit one. Anderson had six strikeouts, and he walked. The following is the official score and summary:

THE GOVERNMENT LEADER HERE FRIDAY

The announcement that Premier J. K. Fleming is to speak in St. John has aroused unusual interest in the mid-summer political campaign.

The Hon. J. K. has already made himself renowned hereabouts for his platform oratory and his masterful grasp of the Province's affairs. His notable victory over his opponents in joint debate in the Opera House some time ago is still a fresh memory.

The Premier has much to say to St. John people that St. John people want to hear. His concise summing up of the Government's stewardship since the last and eventual election will answer all critics.

To miss Friday's meeting will be to miss an absolutely truthful review of the brightest page in New Brunswick's history.
