No Hockey Game  
At Moncton Today

King's College Team Unable  
to Meet U. N. B.—Dulhou-  
se Wants Stellerton Game

Special to The Standard  
Fredericton, Feb. 21.—A report was made today that the U. N. B. and King's College teams were unable to meet at Moncton tomorrow for the summer hockey, and that the U. N. B. would play home and home games with Dalhousie. Since that report was given out, it is learned that King's have wired U. N. B. that they are unable to go through with the program, owing to severe storms in Nova Scotia and will not be in Moncton tomorrow. At present no future date has been arranged.

Word has been received by the U. N. B. that Dalhousie wishes to play the hockey game on neutral ice, and Dalhousie suggests Fredericton, N. B. U. N. B. are not favorable to Stellerton, owing to the distance and think the game should be played at some point half way between Fredericton and Halifax.

Game At Boston  
Was Called Off

Aud's Loss of Toronto Would  
Not Play Against Man  
Claimed to be Professional.

Boston, Mass., Feb. 21.—The hockey game scheduled for tonight between the Boston Snow Traders team and the Aud's team of Toronto was called off after the Canadians had appeared on the ice and a large gathering of spectators had waited half an hour for the beginning of play. Announcement was made that the Snow Traders team had refused to play without the services of George Dufresne, whose amateur status had been questioned by the Canadians.

The Ontario Hockey Association last week sent a telegram to the Boston team threatening to place the rink upon the outlaw list if Dufresne was permitted to continue to play, making the charge that he was a professional. Dufresne's case is understood to be under consideration by President H. J. Dwyer of the United States Amateur Hockey Association.

The Snow Traders' team managers claim that there is no basis for the charge of professionalism.

Maritime Swimming  
Championships

Many Entries Expected for  
Big Event at Y. M. C. I. on  
April 2.

The Maritime Swimming Championships are to be held in the Y. M. C. I.'s spacious swimming pool on Saturday, April 2nd. All entries to be in March 20 with W. R. Stirling, physical instructor of the Y. M. C. I.

It is doubtful if there is a single town or city in the Maritime Provinces where all branches of sport have revived and have received the support accorded them by the citizens of St. John.

Baseball, basketball, boxing, wrestling, speed skating, running, golf, curling, and hockey, but by no means least, swimming, all number a generous quota of fans who turn out to witness their favorite sports.

## Benefits Derived.

The City Fathers fully alive to the benefits to be derived from the healthful exercise of swimming, and the increased safeguard to human life, have been generous in their grants to the Free Summer Swimming Stewards, and their efforts have been ably backed up by both the Y. M. C. I. and Y. M. C. A. who during the winter months put the finishing touches on the good swimmers developed during the summer.

Today there are a number of young swimmers, both girls and boys, who swim with all the science and finish of veritable South Sea Islanders. For this reason keen competition should be in evidence in every event at the Maritime Meet, and should outsiders have the temerity to enter, the local swimmers are confident they will have to put up with their backwash, the St. John swimmers will be to the fore.

Four More Games  
Will Be Played

There are but four more games to be played in the City Basketball League, all of which will be staged in the Y. M. C. I. on Saturday nights. Although there has been little difference in the position of the teams since their standing was last published, a

Inter-Society  
Pool Tournament

Keen Competition at the Y.  
M. C. I.—Schedule of Games  
Continue to April 5.

The Y. M. C. I.'s inter-society pool tournament is attracting a great deal of interest among the members of the different societies entered. There are a number of very skillful welders of the cue playing, and keen competition is a feature of every game. The balance of the schedule follows:

number of them have shown a decided inclination to make a strong comeback in the final stages of the league.

The order in which the senior teams will finish is a foregone conclusion. In the Intermediate League, however, things are much more interesting, the Y. M. C. A. High School and Y. M. C. I. teams are still bunched at the head of the league, they have yet to meet in their final games and much speculation has been aroused as to what will be the result.

Y.M.C.A. Hexathlon  
Develops Athletes

Last Year's Record Was Broken—Next Events on Friday Night.

The Canadian National Y. M. C. A. Hexathlon have got the local boys right on their toes. The first three events of the contest were run off in the local association on Friday, the 18th, and last year's exceptionally good record was broken by a margin of points. In the three events of the contest, twenty-four athletes took part. The next three events (sauce vault, standing broad jump, and 160 yard potato race) will be run off on Friday, the 19th, and a number of fresh participants are in training for this. It is hoped that about forty athletes will take part in the six events.

This is a great showing for St. John, and speaks volumes for the interest the young men of the city are taking in athletics. Last year, approximately four thousand men and boys competed in the Dominion. Associations are divided in to three classes, A, B, and C, according to their membership. St. John won the championship banner in class C last year.

Although some of last year's high scorers are not available this year, fresh men are coming in and filling the breach.

Carleton Curlers  
Off To Fredericton

Four Rinks Leave for the  
Capital This Morning—Play  
Afternoon and Night.

The Carleton Curlers are journeying to Fredericton this morning to try their kick with the heaviest of the stone in the capital. Four rinks are going and games will be played afternoon and evening. The squad comprises S. Irons, H. Lingley, W. L. Stewart, R. Roy Campbell, William Irons, Harry Belyea, J. M. Belyea, Fred Haslam, L. Adams, C. Driscoll, George Scott, F. Colwell, H. Bissett, M. Mooney and E. R. Taylor. The ships will be elected on the train and will probably be H. Lingley, Harry Belyea, M. F. Mooney and E. R. Taylor.

Business Men's  
Volley Ball League

First Series Completed With  
F. T. Barbour's Team Win-  
ning.

The first series of the Business Men's Volleyball League, Y. M. C. A. has just been completed, with F. T. Barbour's team going through without defeat. The team is composed of the following players:

M. T. Barbour, captain; F. A. Dyke, Charles G. Day, Frank Brown, Arthur Carlson, F. W. Hewitson.

The second series will commence on Saturday, the 5th of March, the winners of the two series to play off a suitable trophy is being arranged for.

It is proposed to hold a volleyball tournament during the "Rotary" convention, to be held in St. John the 14th and 15th of March. Halifax is said to have some of the best volleyball players in the maritime provinces. A ten team Commercial League is being run in that city, and amongst the visiting delegates will be some star players.

The tournament will afford an opportunity for these men to show their style, and a series of interesting matches will take place in the Y. M. C. A. gymnasium.

The local Canadian Club and Rotary Club have both good teams and the Y. M. C. A. have some veterans in this sport.

Curling Dates  
For Local Clubs

Carleton Plays Thistles Thurs-  
day and St. Andrews Friday  
—Hampton Here Wed.

The West Side Curlers will play the Thistles next Thursday night, six rinks a side, three rinks on the ice of each club.

The West Side Curlers will play the St. Andrew's Club a similar number of games Friday night if arrangements can be made.

The Hampton Curlers were unable to meet the Thistles on the latter's ice last night. The suburbanites plan on playing the St. John club here next Wednesday or Thursday.

MACDONALD'S  
CUT BRIER

MACDONALD'S "BRIER" has become a Canadian institution. Smoked by the men who made history. In the bush, on the trail, in mining camps, prospectors' huts, factory yards, on trains, steamships, in the luxurious homes and downtown clubs of our Canadian cities—Macdonald's has always been recognized as the smoke.

MACDONALD'S CUT "BRIER"—the same tobacco but in new form—maintains every Macdonald tradition since 1858, and gives to smokers—more tobacco for the money.
