ANOTHER VICTORY FOR THE BRITISH.

Boers Driven from Elandsplaagte by General French.

Gallant Fighting on Both Sides of the Line.

60 New Brunswickers to Join the Canadian Contingent.

They Will Stand Shoulder to Shoulder With Their Brother Britons in Defence of British Freedom and British Honor.

GLENCOE CAMP, Oct. 20.—Afternoon.—The battle today has been a brilliant success. The Boers got a reverse which may possibly for a time at any rate, check all aggressive action.

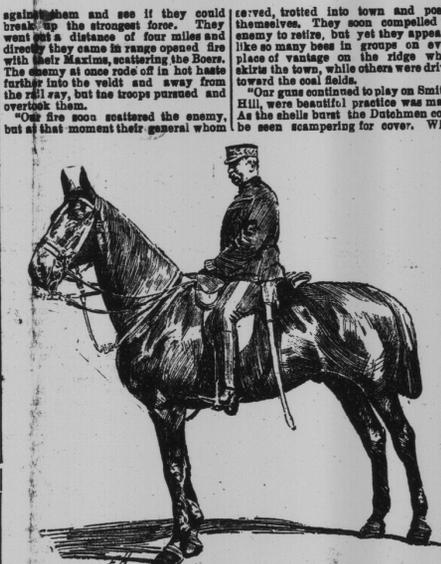

and artillery. The direction taken was to the eastward. At the latest reports the cavalry had not returned.

GENERAL P. A. CRONJE.

General Cronje, who is in command on the southwestern border, will be remembered as having been in command of the Boer force which defeated Dr. Jameson outside Kruger's camp.

GENERAL SIR REDVERS BULLER, G. C. B., V. C. Who will assume command of the British troops in South Africa.

We believed to be Cronje, pushed up large reinforcements and a hot engagement occurred. Our men behaved superbly.

FRIDAY'S FIGHT. Boers Badly Beaten at Dundee-Fuller Accounts of the Battle. Dundee, Oct. 22.—A correspondent in Glencoe camp sends the following despatch under date of October 20th, morning.

against them and see if they could break up the strongest force. They went but a distance of four miles and directly they came in range opened fire with their Maxims, scattering the Boers.

The second fight. Dundee, Oct. 22.—A correspondent in Glencoe camp, telegraphing on Oct. 20 and describing the fighting that followed the first engagement in the Boer attack upon the British position that day says:

Ladies' Jackets. We are now showing the largest and most attractive assortment of Coats, Capes, Jackets, Reefers and Cloaks.

DOWLING BROS., 25 KING ST., ST. JOHN, N. B.

When the children are hungry, what do you give them? Food.

When thirsty? Water.

Now use the same good common sense, and what would you give them when they are too thin? The best fat-forming food, of course.

Somehow you think of Scott's Emulsion at once.

For a quarter of a century it has been making thin children, plump; weak children, strong; sick children, healthy.
