By H. W. Longfellow NICODEMUS AT NIGHT. The streets are silent. The dark houses seem Like sepulchres, in which sleepers lie Wrapped in their shrouds, and for the momen dead.

The lamps are all extinguished; only one Burns steadily, and from the door its light Lies like a shining gate across the street. He waits for me. Ah, should this be at last The long-expected Christ! I see him there, Sitting alone, deep buried in his thought. As if the weight of all the world were resting Upon him, and this bowed him down. From 'The Divine Tragedy.'

3. That the first Annual School Meeting will be convened in the School Districts of the Province on January 11th, 1872, at 10 o'clock, A. M., by notices issued by the County Inspectors, and may be continued till 4 o'clock, P. M.

4. That the duties and powers of the Annual School Meeting, as prescribed by "the Common Schools Act, 1871," are, in brief, as follows:

(1). The election from among the qualified veters present(i, e, persons resident in the District and rated in the Parish Assessment List in respect of real and personal property or income, and persons non-resident in the Parish but rated on property in the District of a Chairman to preside over the meeting. The Chairman is to determine all questions of order, to take the votes of qualified voters only, to decide according to the majority of votes, and to give a casting vote in case of an equality of votes.

(2). The election, from among the qualified (3). The election from among the qualined voters of the District, three Trustees.

Teachers cannot be Trustees,
(4). The election of an Auditor of the School Accounts for the ensuing year.
(5). To determine what amount shall be raised by the District during the ensuing year in supplement of the moneys provided towards Teachers, salaries by the Province and County, and for the purchase, rent or improvement of School grounds and buildings, the purchase, erection, repair, furnishing and care of school-houses and out-buildings, the purchase of fuel, maps or apparatus and prescribed textbooks for the pupils of indigent parents, the payment of interest on money to be becaused by the District, or any other ex-

school.

Of the sum voted by the meeting, One Dollar is to be collected from every male resident 21 years of age, and the balance is to be assessed upon the property and ir come of qualified voters.

If any sum is voted for the purchase of improvement of grounds, or for the purchase or erection of school buildings, or the purchase of furniture, the meeting is to authorize the Trustees to borrow the money (if so desired), and to fix the period (not to exceed seven years) within which the amount borrowed shall be collected from the District in equal yearly instalments.

(6). To authorize the Trustees to dispose of any School property owned by the District (if so desired).

to be signed by the Chairman and Secretary,
and deposited by the former with the Trustees.
6. That in case a District falls to exercise its
right of electing Trustees, the County Inspector
is to appoint them on the requisition of seven
qualified voters of the District.
7. That the fund for Teachers' Salaries is to be
provided from Three Sources, viz.:— (1). From the Provincial Treasury, at the following rates for the School Year: First Class Male Teachers.... Second Class "Third Class " "

First Class Female Teachers Second Class "Third Class " Third Class
Class-room Assistants regularly employed foar hours per day are to receive one half of the above amounts, according to the class of License held.
Teacher's and Clbss-room Assistants employed in Districts, are to receive for the following school year, at the rate of one third more than the arants above named. In all cases one half of the Provincial Grants are to be paid to the Provincial Grants are to be paid to the Provincial Grants are to be paid to the Provincial Hardward County assistants semi-annually, or rateably according to the number of pre-scribed teaching days the School shall have been satisfactorily taught.

(2). From the School Fund provided by the County Assessment, to be apportioned by the Chief Superintendent to the Trustes of the School Districts within each County, as follows:—

(a) At the rate of \$20 for the school year, in consideration of each licensed Teacher employed; of whatever class.

in consideration of each licensed Teacher employed: of whatever class.

(b.) The balance, by an equal rate per pupil according to the average number of pupils in attendance at Fehool, and the number of teaching days the School has been open. The Trustees of Districts recognized as poor Districts in any year, to receive, in this latter apportionment, special aid not exceeding one third more per pupil than the Trustees of other Districts within the County. One-halt of the County fund is to be appor-tioned and paid semi annually.

One-halt of the County fund is to be apportioned and paid semi annually.

No public moneys will be received by Districts which fail to establish Schools under the Act. It will be observed that the amount of Provincial and County moneys to be expended in any District in aid of Schools will depend almost exclusively upon local exertion, or the direct efforts made by the people of the several Districts in maintaining their own Schools. The sum to be received by the Teacher from the Province is definite, but the exact amount that will be received by the Trustees from the County Fund on account of the average attendance of pupils, cannot be known at the time of the School meeting. The meeting should, therefore, be careful in voting its estimates to authorize a sum amply sufficient to enable the Trastees to meet the liabilities of the School year. Any balance remaining in the hands of the Trustees, is, of course, to be carried to the credit of the next School year, while any deficit arising from an authorized expenditure may be carried forward and provided for in the estimates of the following year.

The kiest disbursement of the County Fund will be apportioned on the School attendance made between January 15th and April 30th, inclusive.

8. That the Board of Education has prescribed the following Regulations respecting contracts with Teachers:—

Witness-I. K.

(2) Fixed Salaries; The amount which the Board of Trustees of any District is to receive from the County Fund, being largely dependent on the regularity with which the pupils are kept at School, and therefore unknown at the date of the written agreement (Reg. 2.) to be made with any Teacher or assistant, the Chief Superintendent is not to recognize any contract by which a Teacher or assistant may agree to receive such unknown sum as a portion, or the whole of his or her remuneration from the Trustees, but shall require that a fixed and definite sum or rate be distinctly named in each and every agreement.

9. That Corporate Seals and School Registers will be distributed by the Inspectors to all the School Districts, previous to January 15th.

10. That each School District will be supplied with copies of the Common Schools Act and the Regulations of the Borrd of Education, during the present month.

11. That copies of the Syllabus of Exam na-

hegulations of the Borrd of Education, during the present month.
