Hall's Plattsville
Four Win at SoundTriumphed Over Bonnell's
Home Rink by Narrow Margin—Better Ice Will Finish
Play at Midnight.

OWEN SOUND, Feb. 17.—Hall of Plattsville is winner of the Oak Hall trophy as the main competition at the Owen Sound bantam. The finals were played off early this morning, and he won Bonnell's Owen Sound rink out by a narrow margin. In the other events the play is well along, down to the semi-finals in the Lemon shield series and to the fifth round in the Taylor and Pringle. Everything will probably be over by some time after midnight. Today curling has been excellent as the frozen-for-change came, and the ice very soon stiffened up; nobody could ask for better conditions than they have had today. TWO MEALS A DAY
WILL BE RULE AT
CUBS' QUARTERS

Chicago, Feb. 18.—Two meals a day for all except the veteran pitchers was the rule at the Chicago Cubs training camp in California. It was announced today by Mr. Evers. Breakfast by 9 o'clock, three hours' practice, with perhaps more for the recruits, and the evening meal, will be the program. Evers said, except for Alexander, Vaughn and a few veterans, who will be called on to carry the brunt of the pitching burden right from the start of the season. Two weeks of such conditioning, Evers believes, will prevent the squad from reporting for the season's opening game in poor shape because of over-weight.

Should Beat Weatherman's
Vagaries — Games Open
at 9 o'clock.

One lesson is enough for the Ontario Hospital curlers on the vagaries of the weatherman, so they hurriedly put on their annualspiel for today as soon as the weather lightened, without giving him a chance to change his mind again and produce magical April weather. Sixteen rinks are in the draw, the games of which opened at 9 o'clock this morning. Some of the best rinks of the city clubs are entered, and competition promises to be as keen as any ever staged at the spolia of the hospital men. Dr. Robinson and his associates are noted for their hospitality and good sportsmanship, and a full roll call should answer this hurried summons.

Preston Tonight To See
Favorites — George's Absence
Weakens Galt.

The London team and the big bunch of fans leave with them on the 4:15 Grand Trunk special are confident of annexing the game with Galt at Preston arena tonight.

Little is known of Galt by the locals, except that they are a shifty outfit, and have had the benefit of the best coaching hockey affords in Percy

Lesner's attention all winter. "Punch" George's absence from the Galt line will help a lot, but in Himes and Wilkinson the Londoners will meet up with two sterling pastimers.

The fact that Ayr gave Galt such a scare in their play-off, and that the locals have done their best work away on big but slushy ice surfaces, while tonight's ice will be hard and speed is the Alerts' big asset, makes the chances of a nice-sized margin for London tonight a perfectly reasonable expectation.

The return game here on Monday night will in any case prove one of the best attractions of the year, as the winners jump right into the semi-finals with either Niagara Falls or Kitchener.

Fans Will See Boxing at Best
In Vets' Tourney TonightPostponed Bill at Armories Sure To Provide Some Fast,
Clean Milling — Ince and Allgrove Probably
Feature Bout.

The all-star amateur boxing tournament at the Armories tonight under Army and Navy auspices gives the fans of London a grand opportunity to host the sport and make it one of London's permanent pastimes. The card, which has been supervised by Sergeant Tommy Wallace, is a good one and while it may not produce any real man-eaters, it one calculated to show boxing at its best.

The weights range all the way from fly to welter. Ince, who came through with a knockout in his last appearance

will appear with Allgrove in what perhaps be the feature bout of the night. Both men have a long knowledge of the game and it will be a clever mill. The rest of the weights will produce some real scrapping with no brother affairs in sight.

A big crowd should turn out to see this show in view of the crowd of fans that saw the last one. The boxers have been laboring under many difficulties with their training under many difficult conditions in London good clean boxing and the card tonight will bear their work out.

TEN TEAMS REPRESENTED AT
BRANTFORD SOCCER MEETINGGeneral Meeting of District To Be Held
Friday—Juniors Meet Also.

Brantford, Feb. 17.—Ten teams were represented at the annual meeting of the Brantford and District Football League here tonight. A nomination committee was appointed to recommend officers, and a committee was appointed to draft a constitution. The problem was up for discussion, and the team put in bid for fields as follows: Paris at Paris, Massey-Harris at Mohawk, Cockshutt and Brantford United at Tuxedo, Holmdale at Holmdale, G. W. V. A. and Dufferin Rifles at Agricultural. The general meeting will be held next Friday.

The meeting of the council of the Brantford and District Junior Football Association was held tonight, and the constitution was drawn up preparatory to the submitting of it to the officials of the Ontario Junior Association here on Saturday. Galt and Simcoe were represented at the meeting. It is probable that Preston may enter a team.
