BROWN BOMBERS WIN INTRAMURAL SOFTBALL CROWN

Last weekend at the Queen Square diamond, the Brown Bombers won their third straight Intramural Softball championship by downing the Upsets in their best-in-three final series. Bombers advanced to the finals when the Freshmen failed to field a team on Saturday for their sudden death semi-final. Upsets won the right to meet the Bombers by edging the Residence 14-13 in a hard fought game.

In the semi-final, the Upsets scored two runs in the bottom of the eighth inning for their win over the Residence. Don Hallett was the winning pitcher, and Jim King the loser.

The Bombers got off to a flying start in the opening game when pitcher Tom Gorman won his own game with a bases empty home run in the top of the ninth inning. The final score was 10-9. Losing pitcher was Don Brannen.

In the second game, the Upsets roared back to shell Gorman from the mound and take a 14-5 victory and even the series. Don Hallett clouted a homer for the winners. The winning pitcher was Brannen.

In the final game, the Bombers' power came to life as they pounded Brannen and Hallett, who relieved in the seventh, for a convincing 13-1 victory. Art Abbott, a surprise starter went the distance for the Bombers. The losing pitcher was Brannen.

Doug Rogers to Coach Varsity Basketball

As the fall sports schedule draws to a close, our thoughts turn to the winter lineup. The first evidence of this change came last week when the Physical Education Department announced the appointment of Mr. Doug Rogers as coach of the Varsity Basketball team.

Rogers is a real veteran of U.N.B. Basketball. He played for three seasons with the Red and Black in the period 1940-43, and has the distinction of playing in the first game ever played in the Lady Beaverbrook Gymnasium. Last season he coached the U.N.B. Grads.

A member of the class of '43, he holds a B.Sc. in Electrical Engineering and is employed with the New Brunswick Electric Power Commission.

The Red and Black squad will begin practice sessions immediately for the coming season. All players interested in turning out for this year's Varsity are asked to note the following list of practice times:

Friday, Oct. 24, 7-9 p.m.
Monday, Oct. 27, 7-8 p.m.
Tuesday, Oct. 28, 7-9 p.m.
Thursday, Oct. 30, 7-9 p.m.
Friday, Oct. 31, 7-9 p.m.

Intramural Organizations Underway

The winter program of intramural sports will reach the first stage next week when organization meetings will be held in the Trophy Room of the Lady Beaverbrook Gymnasium.

Physical Education Director Pete Kelly has emphasized the fact that this year the stress will be on keen competition. To this end it is hoped to limit teams to definite boundaries and prevent the entry of a "packed" team. Classes, clubs, and organizations interested in entering teams in intramural sports are asked to take note of the following meeting times:

BOWLING — Monday, October 27, at 7:00 p.m.
BASKETBALL — Thursday, October 30, at 7:00 p.m.
HOCKEY — Thursday, October 30, at 8:30 p.m.
