21 YEARS OLD?

When you turn 21 you are no longer covered by your parents' Hospital Insurance. You must take out individual membership within 30 days. Get your application form at a bank, a hospital, or the Commission.

NEW JOB?

To keep insured follow the instructions on the Hospital Insurance "Certificate of Payment—Form 104" that your present employer is required to give you on leaving.

NEWLY WED?

The "family" Hospital Insurance premium must now be paid to cover husband and wife. Notify your "group" without delay or if you both pay premiums direct, notify the Commission.

Join CUSO. Protest against the knowledge gap that separates the developed and developing countries of the world. That's what CUSO is all about. The salary is small (you're a kind of economic drop-out for two years) but the satisfactions are large. CUSO has about 900 people at work abroad. If you are qualified in a professional or technical field and are willing to work overseas for two years, join CUSO, Canadian University Service Overseas.

Tell us what you can do. We'll tell you where you are needed.
