I have the honour to inform you that Mr. Miller has applied for one month's leave of absence to be taken when his services can best be spared, which will be about the month of June, so far as this Agency is concerned.

I would recommend that his application be granted and if you see fit to do so to allow him his salary for the month he is absent.

I may mention that his intention is to get married before he returns.

I have the honour to be

Sir

Yours obedient servant
