

W.L. Mackenzie King
C 44889
MEMORANDUM

Prime Minister's Office

Ottawa, Jan. 3, 1930

MR. KING:

I have so far been unable to find a photo or reproduction of the tablet in Canada House. I have looked through 1925 and 1926 correspondence; the correspondence of these years at the office and Archives has also been searched. (The building was opened in 1925)
