

Arena Director

A. P. DAY

*Engaged in stock raising
business on an exten-
sive scale*

The task of producing the daily program at "The Stampede" is in the hands of Mr. A. P. Day. This gentleman is a thorough horseman and his past experience in handling range stock and being familiar with the details of running an extensive "Cow Outfit" all his life makes him a most desirable man to handle the huge task allotted to him. Mr. Day was born and reared in the cattle country, coming originally from San Angelo, Texas. He came to Western Canada in 1903 and located at Medicine Hat, Alta., and engaged in the stock-raising business on an extensive scale and his holdings of cattle and horses are very large, he operating at the present time the following brands: Q, Crossed Walking Canes, T.H.S., in addition to several other brands that he has purchased outright.
