THE FARMERS' ALMANAC.

EXPLANATION OF CALENDAR PAGES.

The Publishers of this Almanac, with a view to increase its circulation and usefulness, have adapted its calculations for the whole country. The Moon's changes are given for five different places, viz : Quebec, Montreal, Kingston, Toronto, and London. The rising and setting of the Sun are given for Montreal and Toronto. The rising and setting of the Moon are given with sufficient exactness for all practical purposes. The weather prognostications are again calculated according to the table of the celebrated Dr. Herschel ; and for extraordinary accuracy this Almanac retains its wonderful popularity.
