#### PROS. ECTUS

QUEBEC & MEGANTIC LAND COMPANY. In Shares of Fifty Pounds each.

PAYABLE IN TEN YEARLY INSTALMENTS OF FROM £4 TO £7 10s. EACH.

DURING the administration of Lord Aylmer, who at all times was an est auxious for the improvement of the Eastern a ownships, a purchase was made of an unsurveyed Tract round Lake St Francis, in the County of Meganite, on similar terms as those granted by the If are Government to the British American Land Company.

ish American Eand Company.

The purchase embraces a tract of 220,000 acres of Land of good quality, lying contageous to the mean-veed Block of itse British North American Land Company, within 50 miles of Quebe.

The projectors of the Company intended throwing open he Stock on receiving the confirmation of the Secretary of State for the Colorial Department to be east time made by Lord Aylmer, taking it for granted the same facilities would be given to a Company, consisting of find values either natives of or residents in Canada, as had been conceded to the British American Land Company, the greater part of the Stoch butters of which reside in England. No such confirmation has anyet been given, the being referred to the late Commission, the ry of which in his last I ster stated a report

ry of which is his last latter stred a report had been sont to Er-land, but since that period, December, 1536, nothing has been done.

It is proposed to day le the Stock into 600 shares of 4500 cash, poyable in ten annual instalments, waveying from 4.4 to 4.7 b's tach.

It will be well to any a few were is in favour of this project and to state at once the three will be no exclusion whetever of any class of Her Majer-ly's subject, in the scillenent of the tract, industry and sobriety being the requires of those whom the Company will be annual in the form the Company will be annual in the form the Company will be annual to the formed the well settled country on the Cheuden and the thriving Townships of Leads, Inventors, Hi bian, See, will be much related, Inventors, Hi bian, See, will be much related.

of Levile, Inverners, Hi likas, &c. will be much relarded.
To every resident in Quelece the prospect of setting 220,000 Aeres wildin day's journey of the city cannot tall of being Interesting, for not only will all the necessaries of like he abundant but all property will be enhanced in value, for sooner or later this must be the order of the Townships.
The Company will be carried on most economically, as only two Age is and one Surveyor will be required, one of the former to reside at Leke St. Francis or where the most eligible site in the tract would be chosen for a town, and one in Quebec. A board of three unpaid Commissioners would be chosen by the Stockhold ra under whom the Agents would act.

chosen by the Stockhold as under whom the Acents would act. ..

The lighth American Land Company will declar, act hand in hand with the present Company. If formed, formerly addit and nettler farous in, near their unsurveyed tract, will enhance its value, and the projectors of the "queber and Meganite Land Company fed "saured that if it goes into operations in will add new life to their operations, as the Scalabolders in England will think more favorably of the investment they have made in this Province when they see that residents are desirous of making similar ones precisely in the same tract of country.
