DR. BRANDETH requests a perusal of the fol-
lowing article—
LIFE AND DEATH.
Every thing has two distinct principles to its Na-
ture; one—
THE PRINCIPLE OF LIFE
THE OTHER
THE PRINCIPLE OF DEATH.

So long as the principle of Life predominates,
Health is enjoyed. When the principle of Death,
Sickness takes place. How is this accounted for?
By the principle of Death, I mean the principle
of decomposition or decay, which is each hour go-
ing on in the human frame from the hour of birth, to
that of our final exit. While the natural outlets—the
pores—the bowels—and all other director-ces of the
body, discharge these decayed particles as fast as
they are generated, we are in a state of health; we
are free from the presence of the disease.
When, from breathing an impure atmosphere, liv-
ing in a vicinity of swamps, or when we are in the
constant habit of coming in contact with bad smells
—effluvia arising from obnoxious accumulations of
animal or vegetable bodies in a state of putridity,
being infected from a living body under the influence
of disease in a malignant state; or sedentary occu-
pations—or, in short, any cause which promotes de-
composition faster than the stomach and bowels and
the other secretories can remove, naturally; we are
then in a state of disease. And should the cause
which produces this state of the body remain, and
nothing be done to drive the accumulated and ac-
cumulating impurities out of the body, the principle of
death or decomposition, will become paramount,
and the last glimmering of life depart from the once
animated clay.

How then, shall we counteract these death dis-
pensing influences? — **Purge!**
Purge!—Yes!—I say Purge! The
magic in that word shall yet be understood, if this
hand or pen can accomplish so mighty an explana-
tion. Yes, purge! be that pain in the head, the
heat, the bowels, the feet, the stomach, the side,
the throat. Does it arise from internal or external
cause,—I still say purge!—For know this self-evi-
dent truth, that pain cannot exist, save by the pre-
sence of some impurity—some deposit of decom-
posed particles upon the organ or part where the pain
is seated. And purging discharges this impurity by
the bowels and continuing the practice daily will
cure every complication of disease; and will prevent
any one from becoming seriously indisposed;—
even when in constant contact with the most im-
pious agent which cannot by possibility seriously
affect the body, if we are continually careful to pre-
serve it in a pure state, by frequent and effectual
purgation. Hippocrates says, "Purgation expels
what has been acquired, and patients are relieved; if
on the contrary, they are tormented by purgation,
it is a proof, they are yet matters which must be
expelled."

The subscriber of this has resided in every va-
riety of climate, and by always purging on the first
appearance of sickness, has enjoyed for the last
ten years, uninterrupted health. For we may call
such the state of him who is never sick more than
6 or 8 hours, about the time it takes to secure the
effect of a purgative. The purgative I make use of
is my grandfather's pills, and they are, to my cer-
tain knowledge, the most judiciously balanced
purgative in existence. I have used them for 8 months
daily, in doses of from 2 to 16 pills per day, to sat-
isfy myself as to their innocency. It therefore,
cannot be doubted. It is my opinion, that any per-
son, be he ever so prostrated by disease, provided
he is capable of taking exercise at all, may length-
en his life to 60 years, by continuing to assist his
natural functions with the BRANDETH VEGETABLE
PILLS. Death never can take place un-
til the Principle of decomposition puts out the lamp
of life. And that would seldom be before 50 or 70
years, was this principle of purgation always re-
sorted to on the first appearance of sickness.

In the hope that these remarks may be of some
service, I am the public's obedient servant,
D. BRANDETH, M. D.
Great caution is required to procure the genuine
Brandeth Pills.
Druggists and Chemists are never in any place
appointed Agents by Dr. B. All his authorized
Agents have an engraved certificate of agency,
signed by himself; unless this certificate can be
shown, do not purchase. This caution is absolute-
ly necessary to guard the public against spurious
Pills.

CALEDONIA SPRINGS.

THE favorable opinion I formerly en-
joyed of the waters of the Caledonia
Springs is MORE THAN CONFIRMED, as well
from the benefits I personally derived from their
use, as from what I observed of their effects
on others. The water should be drank in mod-
erate quantities before breakfast, and persevered
in for some weeks at least.
